## Spirit of Community introduces new year

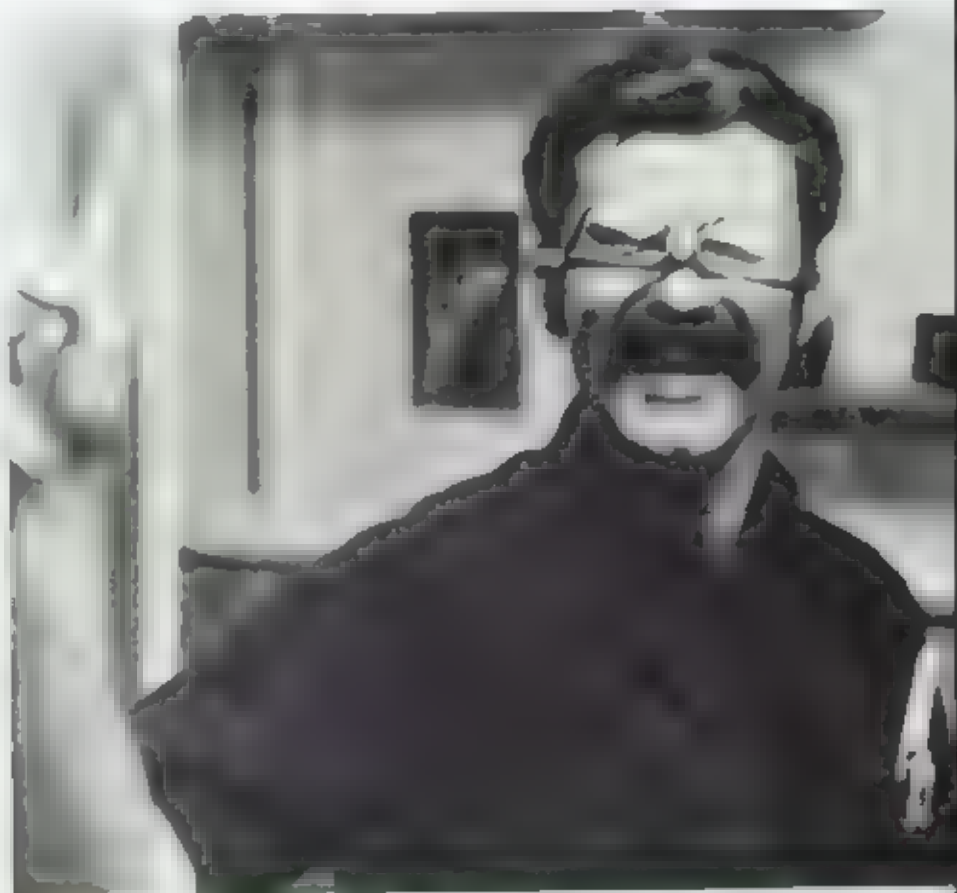

Orientation proved to be an invigorating experience for students and faculty alike. Seniors reminisced about the past three years' conquests and defeats, juniors aimed toward outdoing the seniors, sophomores contemplated their higher status in the school, and freshmen weighed the prospects of attending an institution of secondary education. The faculty established four goals toward which to strive: the formation of Christian community, community service, innovation and academic excellence

TOP Brad Hulsey obtains his locker number from Fr. Sullivan  
ABOVE Kelly Blake carries the ball in the Intrasquad Game  
RIGHT Mr. Lentz shows the freshmen how to dance at the Mixer

*FAR ABOVE Fr. Miller, new school chaplain, leads celebration of Sophomore mass LEFT: Chapel tower symbol of Brophy life. ABOVE: Mr. O'Sullivan gives solution for first day headaches*

## Key to understanding

Brophy, long standing as a Christian community, incorporated the fresh ideas of students hoping to make future liturgies more relevant to young people.

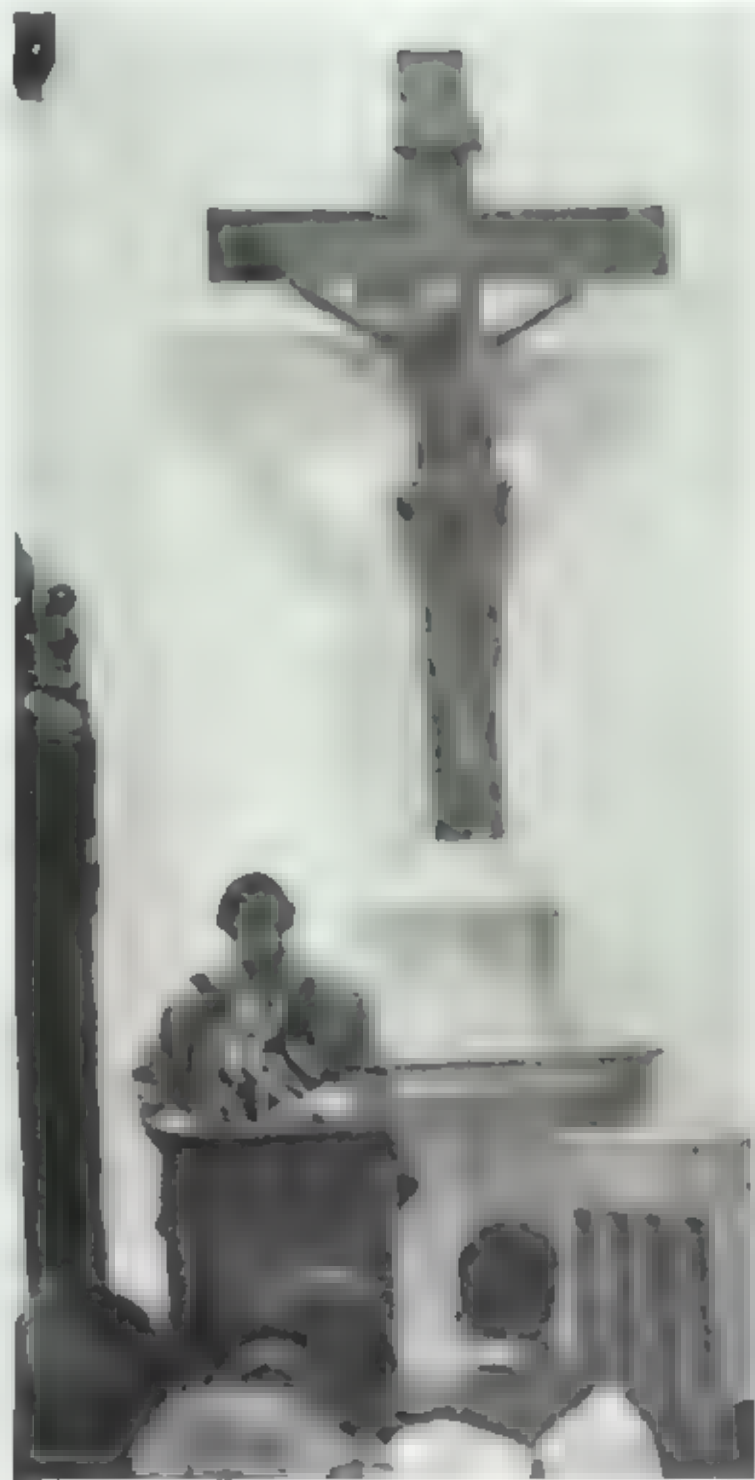

To attain this end, a group of scholastics, and priests formed a "think tank" and developed novel ways of bringing the mass into focus for today. By taking different topics, such as, Who is God? Why do I exist? and What is love? and discussing them informally with the liturgies as the focal points the participants enabled themselves to more fully understand the celebration of the Eucharist.

Held Sunday evenings, these modern masses were instant successes. The Jesuits, students, grads, and even parents lauded the concept as well as the product. These masses combined with the multiple new innovations for '74 helped to bring the entire school community closer to the perfect unity called for at the initiation of the school year.

*RIGHT: Lynn Thom, Kevin Crum, and Mary O'Connor lead the vocalizing at a Sunday liturgy. BELOW: Fr. Menard, G. Richot, M. Hoyt, and J. D Angelo relate to the theme of the liturgy.*

## Mirth highlights Homecoming

"The Wizard of Oz" proved a choice decision for the Homecoming theme. Crews worked around the clock to insure a successful blend of fantasy and fun that was to remain in our memories as a most exciting week.

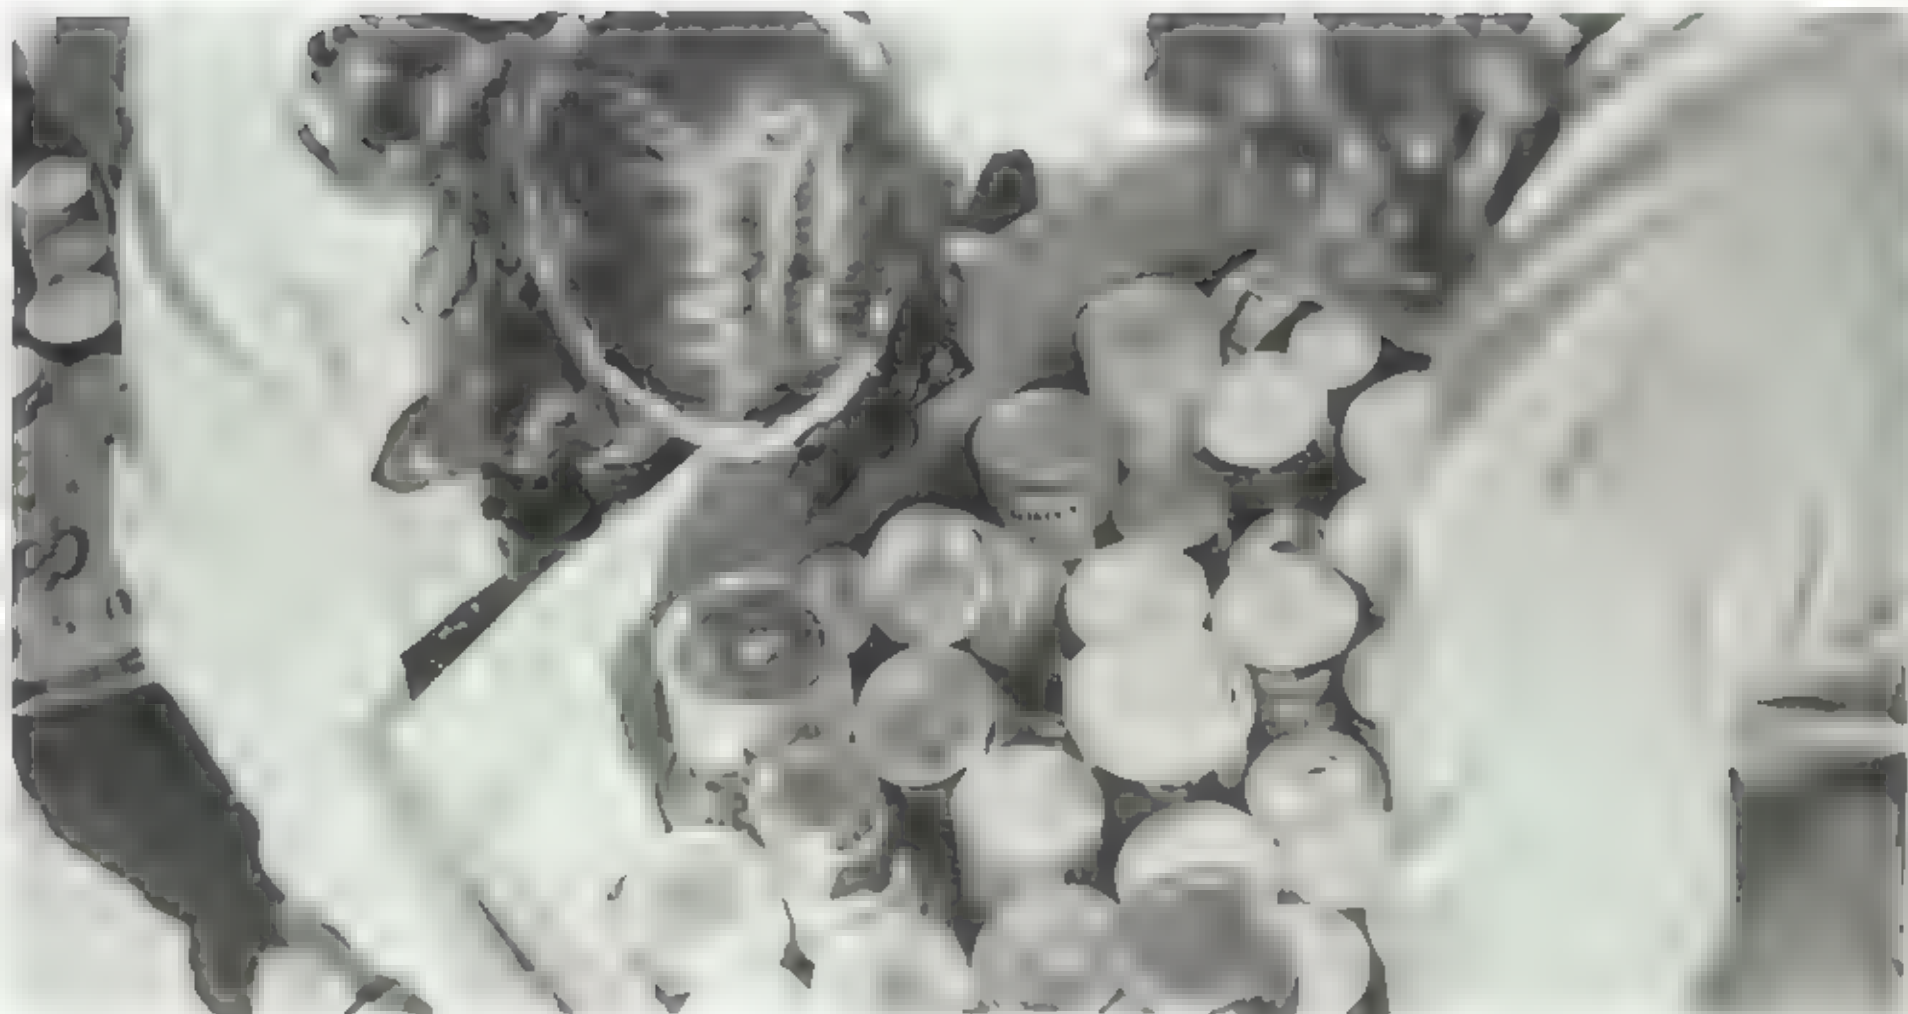

In preparation for the occasion, crew members utilized their minds and materials to the utmost, joining forces for decorating the gym, recruiting "Oz" characters, publicizing the week's agenda, and selecting candidates and escorts.

During halftime, Kim Anderson received the title "Homecoming Queen '73". Paul Fannin and friends proved to everyone that no football game is complete without swatting the ol' Spaulding around the field. Handicapped children attended the game courtesy of the Brophy Chapter of the Easter Seal Society bringing back a tradition of years past.

Following the gridiron contest, couples "followed the yellow brick road" over to the dance held in the gym. The Bob Merighan Band enlivened the occasion as the memorable evening and Homecoming week drew to yet another impressive close.

*ABOVE A joyful Kim Anderson and Mike Lee ride away after the people's choice is named. LEFT. One jovial group enjoys the festivities.*

## Generosity personified

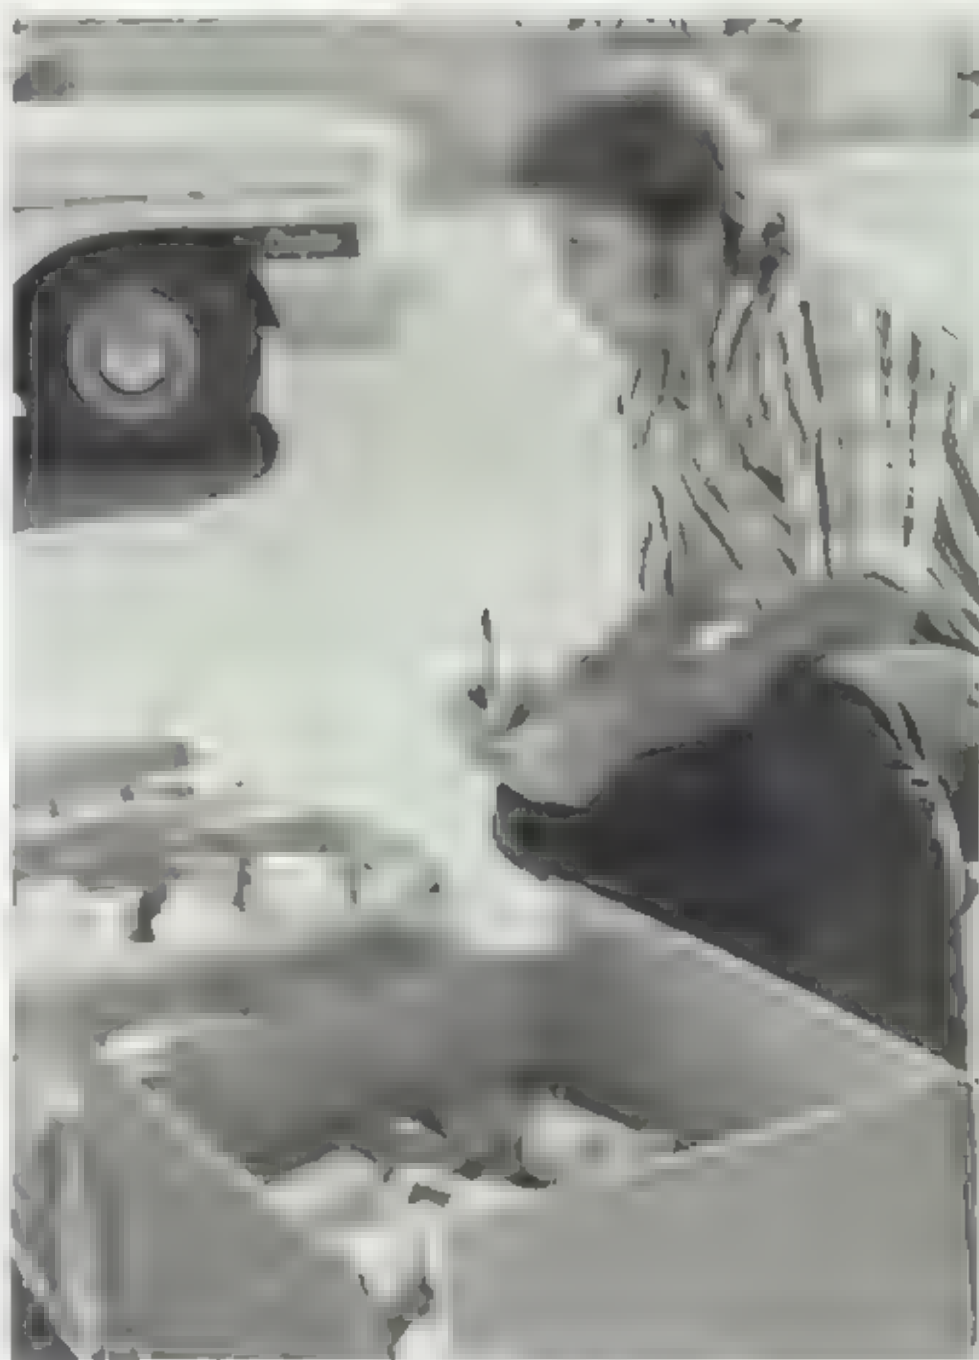

Community apathy turned into an abundant project as the Christmas Drive evolved into one of the greatest success stories in years

Club presidents started things rolling as the Sign Club made appropriate and reminding posters to endorse the spirit of giving. The National Honor Society organized the clothing drive for St. Vincent De Paul's with a total net of items in the two thousand range

The Key Club, assisted by the Mr Lenton—Freshman block, collected an estimated fifteen thousand cans of food virtually within one week's time. This was donated to the Little Sisters of the Poor

The Block Club raised over five-hundred dollars from class donations and door to door soliciting in the downtown business district

## At the Hop. . .

School Days, school days. One reminisces back into the past, and remembers vividly the afternoon rallies, followed by the star studded football game, then finishing with that Brophy—Xavier activity, the Big Dance. Ah yes, the dance, the never ending chaos, the constant music, and the almost devious lying of the young ladies

Depending on the atmosphere, the mood, and the ratio of boys to girls, it would either be dancing all night, until working up a sweat, or sitting on the benches watching the girls go by. Each dance has a theme and costumes and scenery are always an added attraction.

*LEFT The Frosh rest and recreate between flings  
BELOW LEFT. Mike Radcliff has it "made in the shade" with Rita Bache. BELOW: "Ms " Beswick and Jim Klingon entertain the damsels*

## Munch a Lunch

As the wall clock ticks ever closer to 12:15 the students begin to stir. An aura of excitement fills the classrooms as the shower bell rings. Books rustle as students wait nervously for the bell to end class. The bell sings, halls come alive, doors slam open as students pack themselves to near suffocation. Once outside the crowd is greeted by fresh air and a variety of activities to participate in.

The cafeteria offers gourmet style noon meals for eager students. Meals set to tickle the fancy of even the most finicky pallet may be had, as well as hearty, rib stickin' dishes.

For those who enjoy sports, the lunch hour provides an excellent intramural program. Arranged and supervised by Kurt Alcumbrac, School Sergeant-at-Arms, the interclass competition uplifts drooping spirit and stimulates slow moving circulatory systems.

*TOP RIGHT: Mrs. Mullan, in charge of the cafeteria dishes up the potatoes. BOTTOM RIGHT: Freshman enjoy some noon-time roundball. BELOW: One of the several lunch hour passtimes, Xavier girls.*

## Students strive for 'Community'

In spite of the obvious lack of "traditional" spirit, such as game attendance and student interest in school activities, there existed within the student body a spirit that hasn't been experienced in too long a time. This year showed the blossoming of a spirit of community that was manifested in such cooperative efforts as liturgies, social action, student tutors, and an overall growth in concern on the part of the students for the underprivileged people both within and outside of Brophy. Although this growth in the most basic Christian ideal, that of giving oneself for the sake of others, was not universal, it was, and hopefully will continue to be, widespread and growing

*LEFT: Fr. Marc Calegari, S.J. clowns around with Big "D" BELOW. Chuck Dunn finally understands why Xavier hasn't been combined with Brophy*

## All for one-ness

Three omars from the midevil palace of Xanadu lies a sleepy burg enhanced with the name of Xavier. The priests and clerics of Xanadu admired the fair maidens and stately malrons of Xavier for their creative and artistic talent as well as their comely figures. In a mood of good will the priests offered the fruits of their vast centuries of tedious study. Immediately communications began and both communities began to form a oneness of mind in the sharing of their multiple talents and ideas

All too soon the outer world discovered this family, and the community was threatened. In a joint effort the young and the experienced battled with alien mentalities and unheard of creatures. The small community soon came to prominence and the defeating of the alien entities became a favorite passtime all the while the men and the women striving to increase their understanding of one another.

*ABOVE LEFT: Sue O'Malley, Laura Ruiz, and Nina Burrel in their favorite class, Calculus. LEFT: Badoobo wonders why she can't go to Brophy, too. BELOW Xavier Freshmen on parade in the East yard*

RIGHT Bob Coudret steals the show with a rendition of "Leroy Brown" BELOW Senior Dan Graff banged on the piano to the tune of some of the more popular pieces BOTTOM A crowd three times that expected fived to the music

## More "Comedy Tonight"

Both the discriminating musical connoisseur, and the avid follower of Top 40 charts were delighted and entertained by the First Annual Brophy-Xavier Soiree. Held in Xavier's "Lufty" Hall, this extravaganza was conceived and produced by Mr. Beswick, Mr. O'Sullivan, Mr. Decker, And Mr. Thompson. The show was designed to give those students with musical talent an opportunity to share their gifts with the student body in a casual and festive atmosphere.

Drawing a crowd of four hundred, plus, the inexperienced but enthusiastic troupe of performers captivated all comers and satisfied all tastes. Offering rock, Country-western, folk, nostalgia, and humor. The Soiree provided a true enjoyable evening for all, and hopefully, it was just the start of other such endeavors in the future.

*TOP: Mary O'Connor and Louise Nebrich introduce the throng to an original Lindenburg— Nebrich production  
LEFT: Mike Mangin, M.C. for a night, mimics Johnny Carson*

## No fifth period?!

Faced with a mass of either unknowing or uncaring students the Rally Committee and cheerleaders struggled valiantly and produced some truly fine activities designed to bring students out of their shells and into the grand stands. Efforts such as "Let's Fake a Deal" and individuals such as Sr. Mary Never-Been-Touched (Russ Leander) showed real creativity and planning

Not to be left unmentioned are the cheerleaders, both Xavier's and Brophy's. Under the able leadership of Nan Davies, these individuals battled side by side with the football and basketball teams, trying to overcome their own opponents of apathy, and disinterest. All of these people were to be commended for their efforts and continued support in spite of discouraging records and poor spirit

## The time tunnel

It stands without saying that Brophy is much more than a school. Brophy lives as a community with an outstanding past. Few forget what enormous effect the students have had on society or even more the effect some of the special people have had on the past. Outstanding people enroot themselves to Brophy and pulling them loose becomes an enormously impossible and unthinkable task.

Along the time-stream of the past decade dozens of memorable persons have inhabited the campus scene. Unfortunately, seldom can every prominent person be recognized. A miniscule number from the '74 administration roamed the halls ten years ago. On these pages is a scattering of selective photographs and captions reproduced from the '64 annual. No nostalgia page captures the entire past, yet the short histories portrayed by the pictures give the students an idea of what it meant to be "a Brophy student."

## Gridders greet new season with uncertainty; hopeful of success

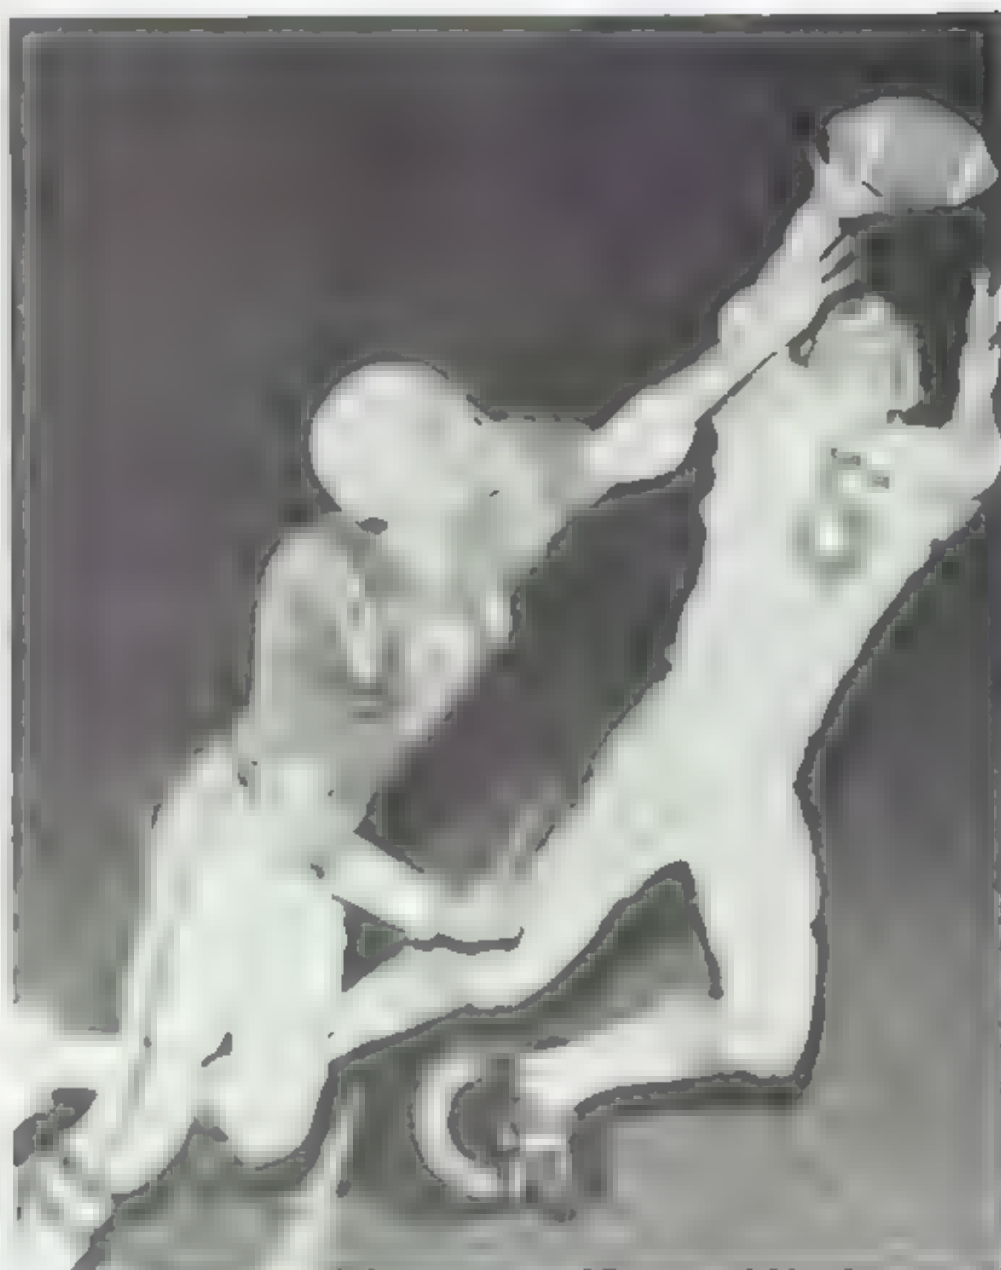

The Varsity football squad greeted the new year with uncertainty. During the pre-season, the big question was: Could coaches Stinson, Ryan and Chambers produce a contender for the Skyline Crown on the strength of an unproven underclass. Sporting only seven seniors on the entire roster, many Bronco fans were dubious of a prosperous season.

Adding to their doubts was the existence of abnormally strong competition in the Skyline division. Aside from the usual prowess of St. Mary's and Cortez, the Gridders would have to meet Marcos de Niza, Paradise Valley, and Central who were all ranked in the State's top ten in the course of the

season.

At any rate, the Broncos prepared to tackle the season in the usual manner—hard work. Pre-season two-a-day drills started in mid-August and proceeded for two grueling weeks under the unbearable sun. The drills succeeded in weeding out more than 25 of the original 80 tryouts, while preparing the gridgers for the rapidly approaching onslaught.

Of the 30 man varsity squad, five seniors filled ten of the 22 starting positions. Juniors made up the balance. Strategy was sighted as the key to possible success in the season to come.

LEFT: Transfer student Lester (Buster) Vance heads for the sideline in hopes of picking up some extra yardage. ABOVE George Fadok Fernando Ruiz, and Ken Hohenstalt maul opponent for a loss

# Fiery passing riddles opponents

The offensive machine which had been renowned for a bruising ground attack in the past was now forced to go to the air throughout much of 1973. Quarterback Bob Dougherty teamed with receivers Dave Cooney, Greg Judge, and Steve Robson in plaguing many defensive secondaries. Although Dougherty suffered a slew of interceptions, he more than made up for them with numerous T.D. strikes and long gainers throughout the season.

Even with this emphasis on the pass, Bronco running backs still managed to pick up their share of yards on the ground. In doing so, they were able to keep defenses from keying on the pass. Senior Kelly Blake was "Mr. Versatile" in this department. He played every position in the offensive backfield and was the leading rusher. Helping Blake with the load were Juniors Sean Ahern, Lester Vance, John Graham, Greg Judge, and Jim Lagattuta. Down in the trenches, opening the holes for these backs, keeping the ground game alive, were Mike Seivert, George Fadok, Greg La-Mothe, and Dave Hendershott.

Injuries made their mark on the Varsity squad. No less than 13 players were hampered by breaks, sprains, and tears during the season. Running backs were no exception. Even the best had fallen by the season's end. Still, the Big Red Machine was able to overcome all of this and put together a winning effort.

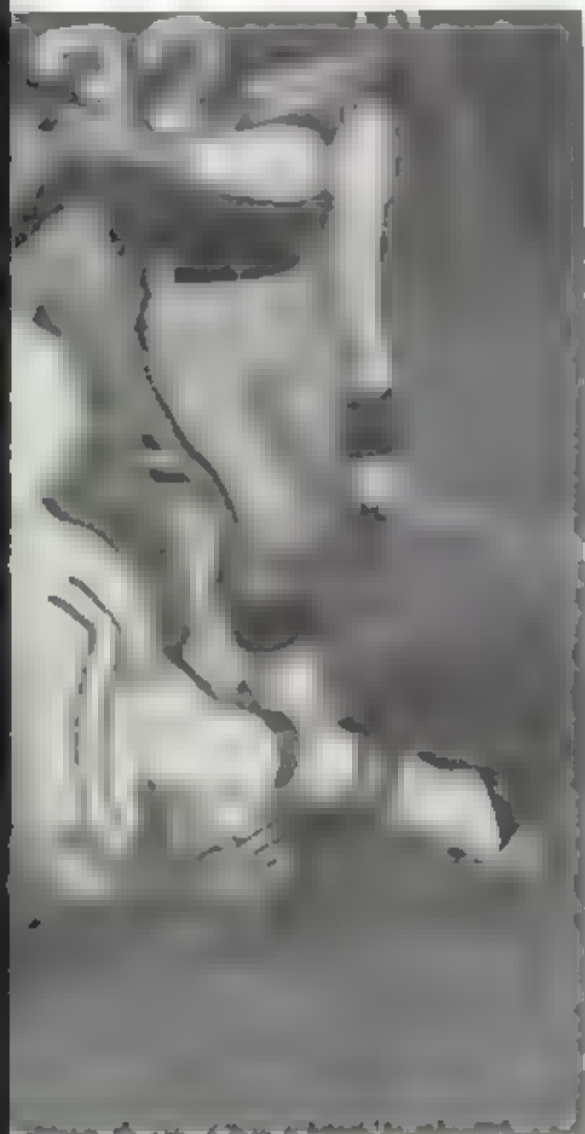

ABOVE: Junior quarterback Bob Dougherty plagued opponents all season with his tremendous right arm

LEFT. Senior Kelly Blake was named the Most Valuable Back and the Most Valuable Player for his outstanding efforts throughout the year. ABOVE Running back Sean Ahern takes the handoff from Bob Dougherty as Kelly Blake leads the blocking.

## Young defense exhibits mature qualities

Although the offense was forced to change its policies in '73, the defense played the same game its played the last few years—"Guts Football."

Senior George Fadok lead the stingy line in pulverizing rival running attacks. Opponents also had to contend with Mike Seivert, Greg LaMothe, and juniors Ken Hohenstatt and Dave Hendershott.

Behind this vaunted line, a sound defensive backfield neutralized opposing passing attempts. Kelly Balke was the standout, leading in pick-offs of enemy aerals. He was accompanied by Dave Cooney, Tom Bittner, and John Norton.

Linebacking duties fell on the Ruiz twins, Armando and Fernando who performed well.

The Broncos experimented with several varying types of defenses. It was not until the last half of the season that the Big Red Machine hit upon a system that really stood out. The keys were in nose-man Hohenstatt and the Ruizes who astounded the opposition with super tackles. When added to the remainder of the meat hungry squad, it made for a fierce defensive threat which crushed the feeble rivals.

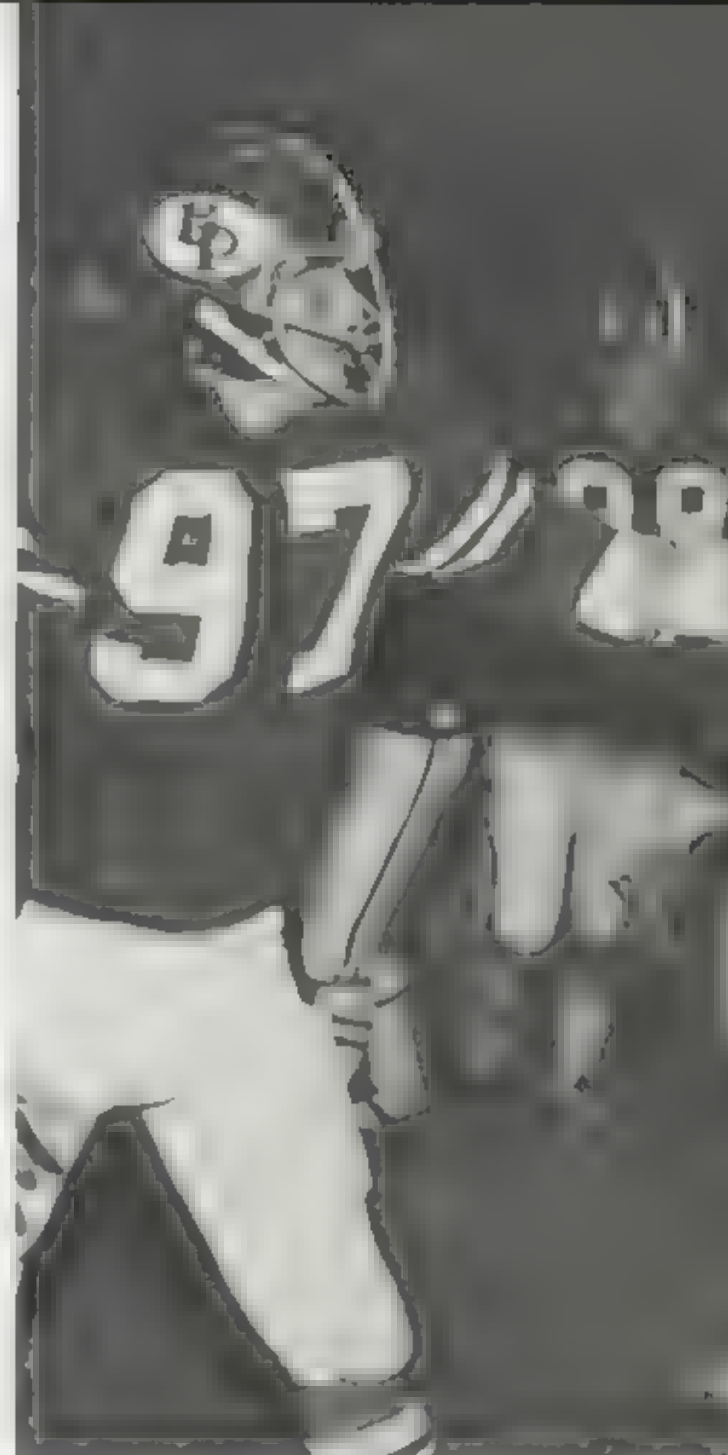

ABOVE LEFT An unsuspecting opponent gets his bell rung courtesy of Tom Bittner. ## Broncs shellack St. Mary's in season finale, 22-3

The 1973 season brought many thrills and pleasures to the Brophy Campus. The highlight most assuredly was the 22-3 whitewash of state ranked rival St. Mary's. A safety in the waning moments courtesy of George Fadok and Ken Hohenstatt typified the confidence and pride of the Brophy players throughout the year.

The end of the season brought many awards to the Bronco gridders. For the second year in a row, two players were selected to the All-State team. George Fadok, superb on the line, and Kelly Blake, a constant threat as a defensive back, were both named to the first team defense.

56 Others recognized for outstanding

performances were Mike Seivert at center (Division second team), Dave Cooney, split end, and Greg LaMothe, defensive end (both Honorable Mention).

Post season awards included Kelly Blake, Most Valuable Back and Player as well as Captain; George Fadok, Most Valuable Lineman; Dave Hendershott, Most Improved; and Mike Seivert, Captain Crunch.

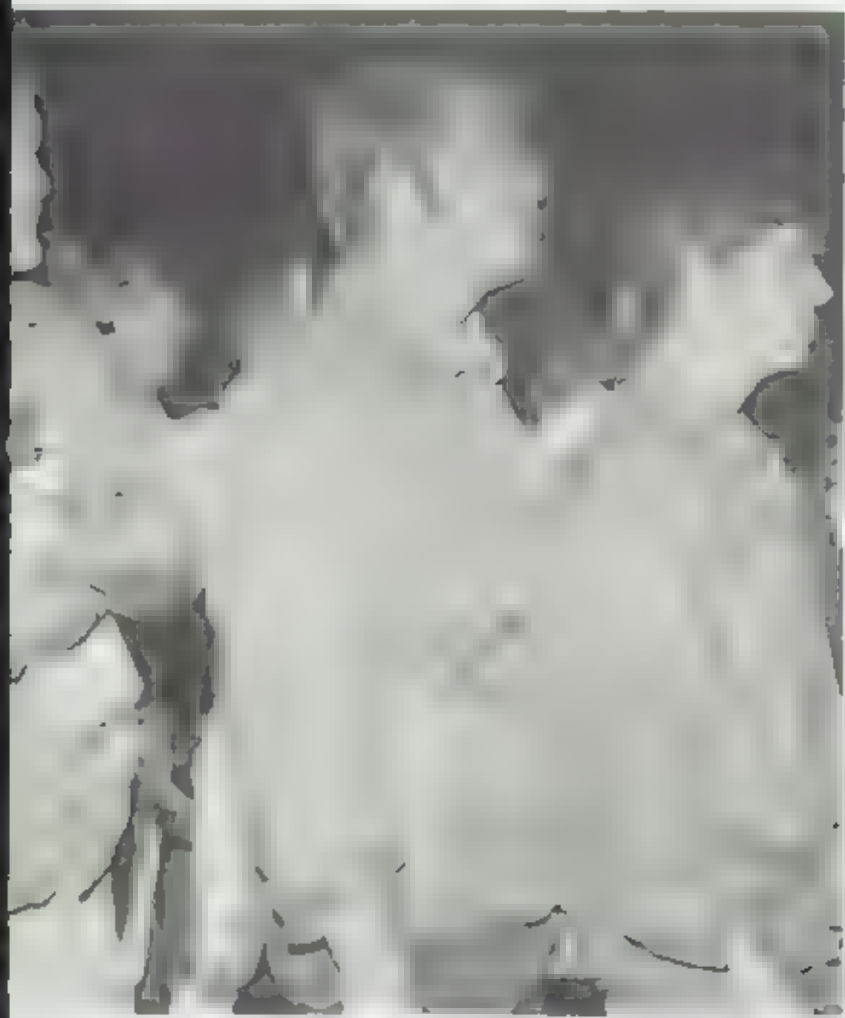

The Broncos compiled a 6-3-1 record which kept them out of the playoffs by only a half game. It was good enough for a third place finish in the Skyline Division which was quite a feat for a team totally dominated by underclassmen.

ABOVE Tight end Steve Robson takes a perfect strike from Bob Dougherty in the end zone for the score.

BELOW Super quick Dave Cadney puts the moves on a supposed tackler to pick up extra yardage.

# Junior Varsity suffers dismal 5-5 season

For the first time in his history at Brophy, Mr. Fred Campisano failed to coach his Junior Varsity footballers to a winning season, finishing at a mediocre 5—5

The squad appeared to have what it took to continue their win streak which stood at 16 at the season's initiation. A fine nucleus which composed the crux of the team would have certainly thrust the J.V.'s towards a winning mark had it not been for injuries and varsity pull. Sophomores Tom Auther, Mike Radcliffe, and Tim Driscoll made their respective ways to the varsity level while injuries befell Jon Roberts, a tough running back, Dave Heiple, the top receiver, and Pat Caballero, who anchored the line

Still, the Junior Varsity was able to overcome many of these hardships in five games to trounce their opponents. Leading the Broncos to these victories, offensively, were Don Myers as quarterback, Butch Mitchum, Jon Roberts, and Jim Joyce, as running backs, and Kevin O'Neill, a fine receiver and kick return man. Up front, opening the holes were Pete Seivert and Brian Cullen. Defensively, Jim Joyce and Jim Curran headed the line play while John Battersby, Dave Heiple, and Dennis Duenas stood out in the secondary, breaking up many enemy aerals

## Frosh A's garner impressive 7-3 mark

Continuing the string of successful seasons on the Freshmen level, the "A's", coached by Mr. Alex Munoz and Mr. Dave Grant built a highly respected 7-3 mark. The mentors clearly out-coached the opposition, instilling skills and knowledge in their players, usually not found until the Junior Varsity level.

The crisp passing of Kernan Ronan and the surehanded receiving of Jim Poulos and Clay Berthot riddled many opponents throughout the year. This, combined with the hard running of Steve Kelly, Mark Jones, Steve Helffrich, Gary Plsciotta, and Randy Rochford made for, at times, an almost unstoppable offensive machine. Tackles Richard Bailey and Jim Woodrow and noseman Dan Nolan spearheaded the line play which was excellent throughout the year. Phill Caballero was the standout in this department until he was moved up to the Junior Varsity in the middle of the season.

Team unity and the willingness to give ones' self to the team effort accounted for the good fortune of the squad.

ABOVE TOP: Quarterback Kernan Ronan picks up vital yardage on the ground. ABOVE: Unidentified Frosh "A" runner evades potential Ram tackler. LEFT: "A" coaches Grant and Munoz

## B's finish strongly

The Freshman B's completed a successful season in 1973 by finishing strongly with four wins in their last five outings. The season started with three straight losses due to the lack of team effort and experience. However, spurred on by emerging team leaders, the B's took to their winning ways with pronounced authority, establishing team records with a decisive 44-0 shellacking of always tough Marcos de Niza.

Offensively, MVP Steve Davis operated the helm while other backfield stars included Dave Karam, Pat Moroney, and Mark Cahal. Defensive captain Bill Murphy, ever consistent Dave Friedberg and hard-hitting Jim O'Connor spearheaded a stalwart and dependable defensive unit.

The coaches were also in their Freshman year at Brophy. Mr. Paul Decker, S.J. and Mr. Mike O'Sullivan, S.J. who coached their first team to victory were successful in attaining goals sighted in the pre-season of molding a group of raw individuals into a cohesive unit.

By the end of the season, the Freshmen B's were a highly motivated, closely knit group of young men who had become proven winners.

**ABOVE LEFT:** An impressive team unity enabled the Frosh B's to overcome much opposition in '73. **LEFT:** QB Ronan lofts pass to "A" teammate. **ABOVE:** Dave Karam heads for pay-dirt for another "B" score.

KNEELING: R. Wrublick, M. Murphy, P. O'Connor, D. Dersen, M. Dupont, S. Fullmer, T. [Chom] Apker. STANDING: B. Koestner, E. Drobny, R. Siegel, J. Wrublick, T. Dunn, J. Ahern, K. Jacobs, D. Werle, Mr. Pat Thompson

## Harriers sparkle... then sputter

Sporting a new head coach in Mr. Pat Thompson, S.J., the Bronco Harriers scampered to three quick victories in four outings to start the season off on the right foot. Inexperience and overconfidence finally caught up with the squad, however, as they proceeded to drop their last five meets to suffer a dismal 3-6 mark. Throughout the season, the Broncos maintained an amazing degree of courage and stamina. Injuries befell the squad as standout Mike Murphy was forced to sit out several meets and Mike Dupont suffered from stomach trouble through the year. When in good shape, though, Murphy and Dupont performed well and were bolstered by Martin Gorey, Dan Derkson, Tom Apker, Steve Fullmer, Larry Register, Roger Wrublic, and Paul O'Connor.

The J.V.'s and Frosh also suffered disappointing seasons with records of 3-4 and 1-5 respectively. Led by Larry Register, John Smart, and Dave Wehrle for the J.V.'s and Bernie Koestner, Tim Connel, and Kevin Muller for the Frosh, the two teams ran highly competitive and determined races and always found themselves challenging at the end.

*RIGHT Mike Murphy was the top runner on the squad*

# Frosh racketeers undefeated...again!

The Freshman tennis squad, coached by Mr. Steven Running, appeared to be mimicking a broken record as they once again finished the season with a perfect 9—0 mark. As in the past, not even a single match was lost to the opposition.

The Freshmen netters defeated teams from Moon Valley, Cortez, Marcos de Niza, Washington, Appollo, Greenway, Sunny-slope, Paradise Valley, and Glendale.

The leading players for Brophy, starting with the number one performer were Roger Mitten, Blair Roberts, Dave Villilanti, Greg Smidt, Bill Charles, Owen Scanlon, Joe Givlano, and Mike Cambell. Not one player lost an individual set all season, indicating the caliber of play. All victories came on 9—0 scores

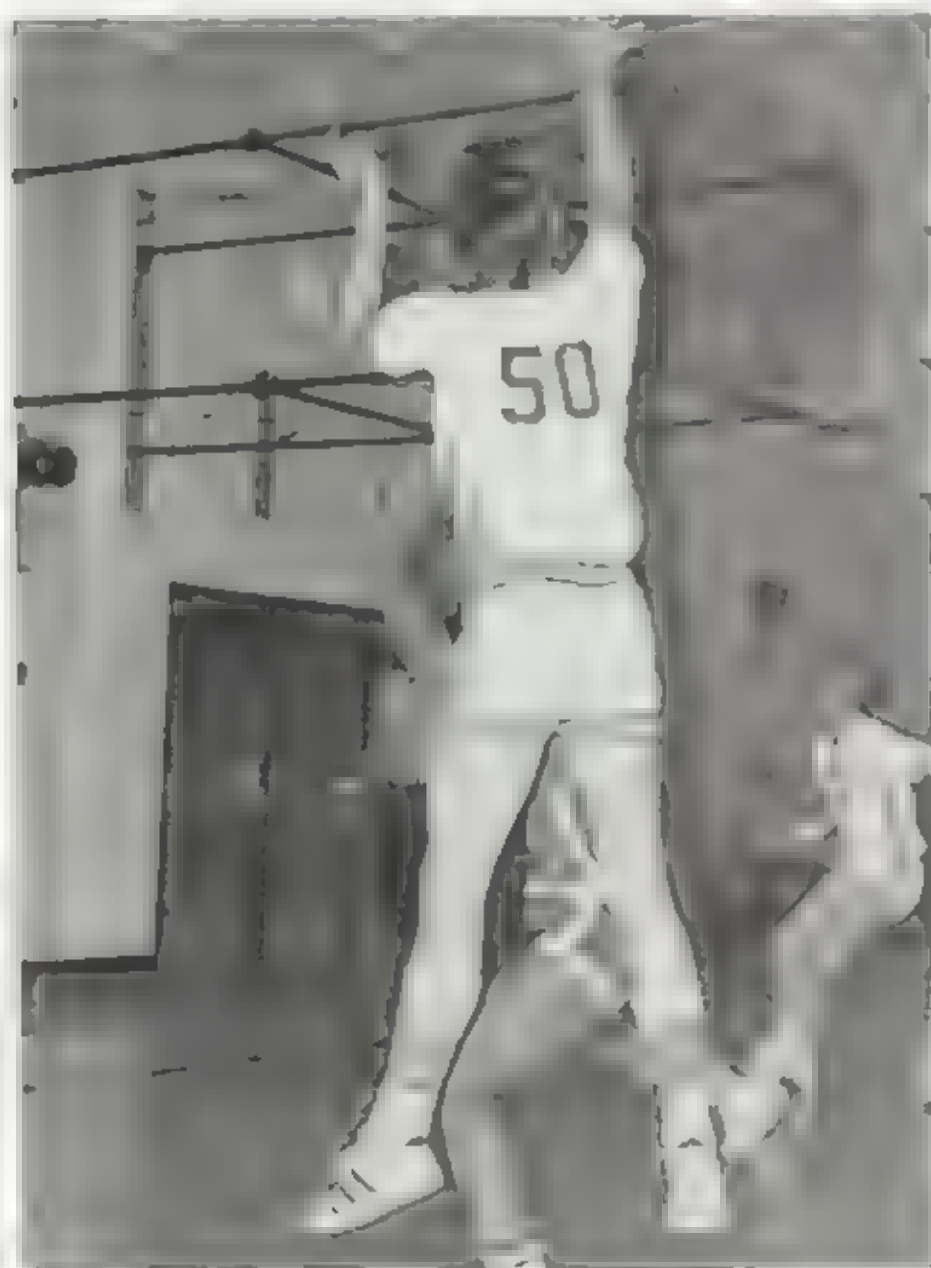

Coach Running stated that many of the players were extremely talented and would add to the depth of the Varsity squad.

ABOVE LEFT Mike Campbell demonstrates his backhand

BELOW Mike Mangin drives past a St. Mary's Goon

## Inconsistency hampers youthful cagers

Raw Inconsistency hampered most Bronco efforts throughout the first half of the season. Mike Mangin and Bob Dougherty were the only returning regulars from last year's state contender. To say the least, Coach Don Schmidli had his work cut out for him in trying to develop a winner.

In December, Schmidli needed major individual improvements to make up for his teams' lack of experience. This deficit of experience was compounded by the Brophy Community's despondance toward the squad. These two factors combined to make the Broncos unable to continue the rapid improvement required of them. Also, the absence of mental toughness attributed to at least six or eight losses.

Nevertheless, the team did have high points. Bob Dougherty lead the team in both scoring and rebounding and was sighted as a possible All-Division candidate throughout the year. Playmaker Mike Mangin stood out in defense and was an excellent leader. Dan DeWan excelled under the boards until he sprained an ankle. Ed Moran and transfer student Harry Schwegman were top hustlers. The bench was exceptionally strong with the likes of Tim Ronan, Tom McWilliams, and Chuck Dunn.

ABOVE As defenders converge, Ed Moran prepares to pass off to teammate Mangin

# Cagers thrust into playoffs

The season passed with indifference from much of the student body. Many felt that the squad was "washed up" in regards to obtaining any playoff berth in the Skyline division. All of the sudden, though, the Broncos found themselves in contention for the eighth place slot, the last available playoff position. At the realization of the possibility of actually participating in post season play, the fired up basketballers continued their winning ways to thrust the ball club into a tie for sixth. With a mauling of Apollo in the regular season finale, Brophy assured itself of going to the playoffs. The season ended on a dismal note, however, as the same Apollo squad topped the Broncos in the first round of the playoffs

*Coach Chambers discuss strategy with (l) for T. Ronan, B. Dougherty, C. Dunn, B. Roberts, D. Myers, D. Streich, E. Moran, Coach Schmidt, KNEEL- ING M. Radcliffe, T. Auther, H. Schwegman, A. Duncan, M. Mangin, T. McWilliams, E. Klinger, E. Bias*

LEFT- Bob Dougherty takes the jock off a St. Mary's stud  
ABOVE- Chuck Dunn slips inside Knight defense to tally two more Bronco points

# Auther, Radcliffe lead JV's to impressive 14-5 mark

Coached by Mr. John Chambers, the Junior Varsity basketball team compiled a tremendous 14-5 record.

Two players undoubtedly instrumental in obtaining this impressive mark were guards Tom Auther and Mike Radcliffe. Together they managed to riddle opponents with quick passes, a top fast break, and constituted a bulk of the J.V. scoring.

Big men Don Myers, Art Cunningham, and Geno De Santa helped the Broncos put some authority on the court by exhibiting superiority in both rebounding and scoring.

The bench was an obvious strength as Coach Chambers was able to call on such stalwarts as Kevin O'Neil, Reed Mittlestaedt, Mike Galvin, John Battersby, and Dave Croughan to give the starters rest. In doing so these players showed definite promise and were able to keep the squad moving.

Coach Chambers was a major Key to the ball club's prowess as his strategic plans payed off over and over again.

RIGHT "A" star Harry Demos drives toward basket as Jim Poulos sets the pick

## A's struggle to 9-9 mark

The '74 season was far from impressive as the A's struggled to break even with a 9-9 record.

At the season's end, Coach Vallecorsa sighted many as having great potential in a roundball career at Brophy. The most improved player was Jeff Mahowald, a tough and aggressive guard. Jim Poulos combined remarkable shooting with all-around play to earn the title of one of the top players. Harry Demos made up for his slight height disadvantage with tremendous hustle and fantastic defense. Kernan Ronan, the other starting forward, was a mainstay in both the scoring and rebounding departments. The remaining starter was Bill Murphy, a quick guard and a top ball handler.

RIGHT Steve Davis draws the foul as he attempts to score two for the B's. BELOW Kernan Ronan, forward for the A's studies the situation before making a move for the basket

ABOVE Mr. Campbell instructs B's during time-out

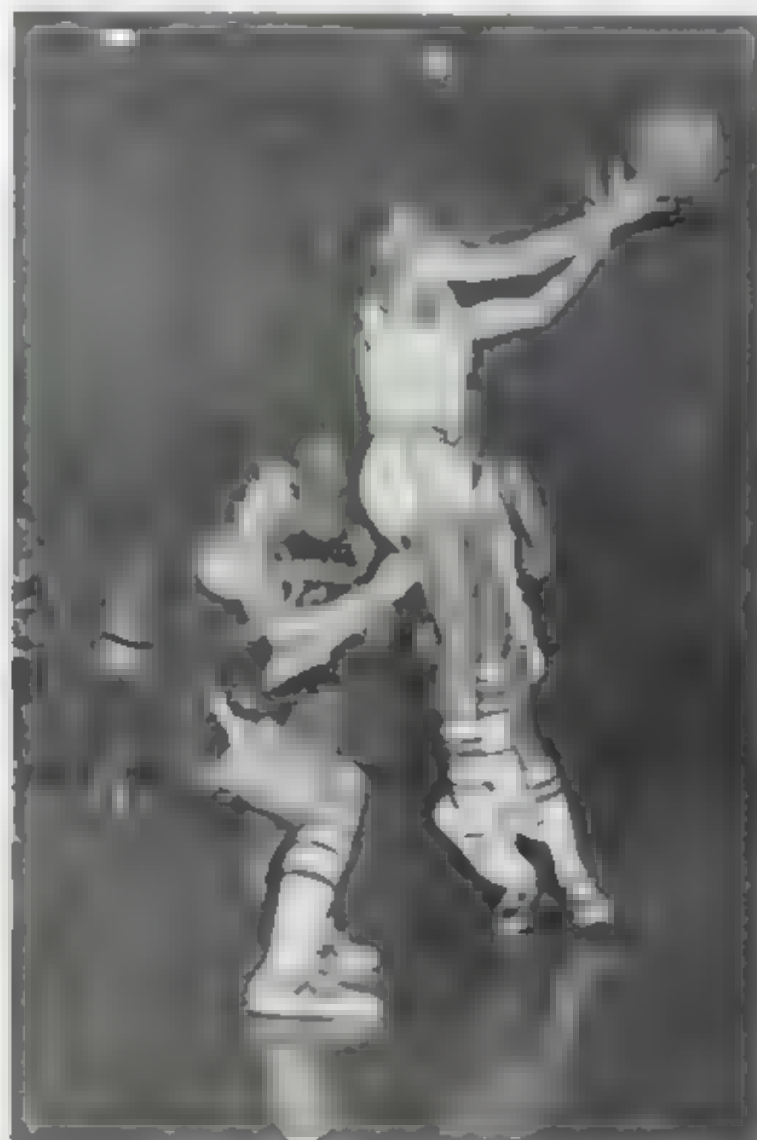

## Campbell instructs B's to superb season

Under the leadership of Coach Mark Campbell, the Freshman "B" basketball squad compiled a tremendous 11—3 seasonal finish, the best mark ever recorded in Brophy history.

Individual performances highlighted the year. The starters were: guards, Jim O'Connor and Gary Pisciotta; forwards, Greg Pafford and Frank Hamby; and center Brian Mikkelsen.

Back up members of the team showed top talent as well. Mark Bosco, a guard, had a deadly outside shot and Brian Frost, the sixth man, was a block shot artist as well as a good rebounder.

LEFT: Dan Carrion, "B" center penetrates defense for the score ABOVE: Mark Bosco demonstrates his famed jump shot

# Racketeers return talent; strive to retain crown

Coached by Mr. Steve Running, the Varsity Tennis squad certainly had its work cut out for it, as the members attempted to match the efforts of the State Champions of a year ago

Only two Varsity members were lost from that superb squad which meant talent was abundant as the season started. Competition was again strong in the Skyline Division but obviously not strong enough as it was sighted in the preseason that the Broncos would again dominate and go to the State playoffs to defend their crown

Top personnel on the squad included Chip Tolleson, John Kries, Doug Kerr, Mike Palmer, and Wick Pilcher. Tolleson was a finalist in the state singles playoffs last year, and should reach that goal once again if all goes well

ABOVE: Senior John Kries demonstrates his ferocious back-hand  
LEFT: Singles star Chip Tolleson outclassed all opponents throughout the year. BELOW: FRONT: R. Mitten, J. Guiliano, G. Smidt, P. Lendrum, O. Scanlan, J. Campbell. SECOND: B. Charles, B. Roberts, B. Kunde, B. Kohnen, J. Keane, R. Siegal. BACK ROW: Mr. Running, J. Kries, D. Kerr, W. Pilcher, M. Palmer, C. Tolleson, D. Villalanti, D. Irby

ABOVE LEFT: Wick Pilcher says, "Take That!". LEFT: Talleson rips another opponent. ABOVE: Doug Kerr leans into his deadly serve

## Outdoors clubs originated at Brophy

There were many examples of innovation exhibited by the Brophy student body through the school year. Three such "innovations" were the formation of the Skin Diving, Ski and Mountain Climbing clubs

The Skin diving venture was primarily instigated by Mr. LaCasse. Not only did this organization furnish enjoyment, but it also instructed the participants in the various skills necessary in this enjoyable sport

The Ski Club was originated through the efforts of both Mr. Mark Campbell and Mr. LaCasse. Mr. Campbell who used to teach in McNarry had a similar ski club at that Northern Arizona school and decided to bring it to Brophy

Last on the list of these sports endeavors was the Mountain Climbing Club initiated by Mr. Dan Lentz. It was referred to as the 'back to nature' club by many

ABOVE SK CLUB Kneeling K. Miller, J. Perez Vargus, T. D. Giovanni, G. Waker, Standing T. Hetherington, S. Kochert, J. d'Eon, B. Maoney, J. Regester, M. Daugherty, Mr. LaCasse, S.J.

LEFT: [L to R] M McNally, M Denneson, F. Hamby, C Larson P Fannin, C Brown

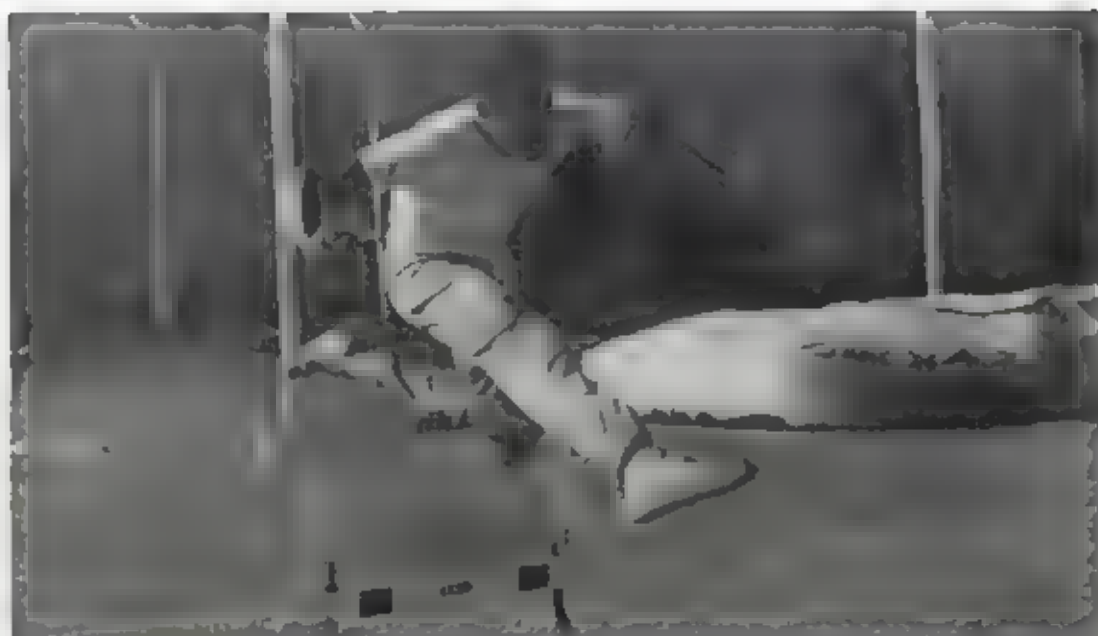

## Fannin, McNally, Larson lead talented linksmen

An abundance of talented seniors formed the crux of the '74 golf squad, coached by Mr. Trevor Stinson. Paul Fannin and Mike McNally who have been impressive in their golfing careers at Brophy, would hopefully team up and lead the linksmen to a seventeenth Skyline crown in eighteen years.

Underclassmen to be instrumental in the Bronco effort were, Chip Larson, Ed Moran, and Tom McWilliams. Besides Fannin and McNally, top seniors included Chris Brown and Dan Dewan

LEFT: Senior stalwart Paul Fannin tees off on the Brophy front nine

ABOVE: Hurdler Kirk Daniels keeps busy in the pre-season

## Young track squad hopeful of prowess in Skyline

Track season does not extend merely for the three month duration of scheduled meets and practices. The successful athlete develops himself through hours of hard work and training months before official workouts actually begin.

Track is a unique sport which combines individual skills molded into a team effort. Each person tries to jump higher, run faster, and throw farther in each encounter he faces. Every member of the squad contributes to a victory just as he takes part of the blame in defeat.

With a number of vacancies left by last year's graduates, the track team faced a serious rebuilding challenge. However, Coach Ryan and his associates:

Mr. Campisano, Fr. Morgan, and Mr. Chambers, put together a fine squad despite such adversity. Several outstanding performers bolstered an otherwise inexperienced squad.

Dave Cooney and Ed Martin headed the sprint department as they showed their true winning potential. In the field events, Dave Boatwright in the pole vault, Mike Lenton in the high jump, and Dave Hendershott in the weight events all showed fine form throughout the year. The distance team, led by John Norton, Mike Murphy, Paul O'Connor, and Larry Regester also turned in some fine times.

Dedication proved to be the main ingredient in this successful season.

ABOVE: Steve DelRe was an All-American as a diver last year. RIGHT. Coach Jim Heard directed the linkers for the second year in a row

## Lee, O'Connor, Shea to lead tankers to success

Brophy swim teams have always been known for exceptionally strong seasons and outstanding division and state showings. This season was sighted to be no exception. With two of last year's four All-Americans having returned to churn out even more wins for Brophy the season's prospects looked good. Four Senior lettermen returned from last year's team: co-captains Mike Lee and Greg Shea and Dan Graf and Scot Graham. Juniors Scott O'Connor and Steve DelRe both all-americans as well as Bob Beardsly rounded off the list of Varsity upperclassmen

Strong points for the team were sighted to have been the freestyle relay of Lee, O'Connor, Shea, and Worth, as well as the medley relay composed of O'Connor, DelRe, Lee, and Shea. Individual events should be equally as strong with outstanding efforts in the 50 and 100 freestyle by O'Connor and the diving of Steve DelRe

Mike Lee, Dan Graf, and Greg Shea excelled in the mid-distance and individual stroke events.

All of the talent was of course neatly tied together through the efforts of the two coaches, Mr. Jim Heard and Mr. Jim LaCasse, S.J.

LEFT Senior Dan Graf added needed depth to the squad ABOVE Mr LaCasse assisted Mr Heard in the coaching chores

## New coach hopeful of top year.

Sporting a new head coach in Mr. Dave Grant, the Varsity baseball squad entered the season with high hopes.

Largest among the reasons for a pre-season goal of "going to State" was the fact that the ball club had an overabundance of power hitters as well as a returning J.V. squad that finished with an impressive 14-4-1 record last year. Also returning were five veterans from the previous varsity squad.

Battles for the nine starting positions were numerous in the preseason. John Graham and Ed Shea vied for second base while George Fadok, Jim D'Angelo, and junior Chris Lyding fought for first. John Corcoran and Bob Pimentel battled for third.

Pitching was sighted as a key to any possible success that the team might experience throughout the year. Marty Keil, a starter from last year would be helped in the shouldering of the pitching chores by Lester Vance, Tim Ronan, and Tim Gearan.

Potentially the biggest hitters on the team were Mike Seivert, George Fadok, Greg Novak, and Chris Lyding.

ABOVE LEFT. Buster Vance wings ball to home for a sure strike. LEFT. Mr. Dave Grant succeeded Mr. Whitehead in hopes of leading the ball club to a fine year. ABOVE Ed Shea rounds first as Chris Lyding awaits throw

## Underclassmen receive learning experiences

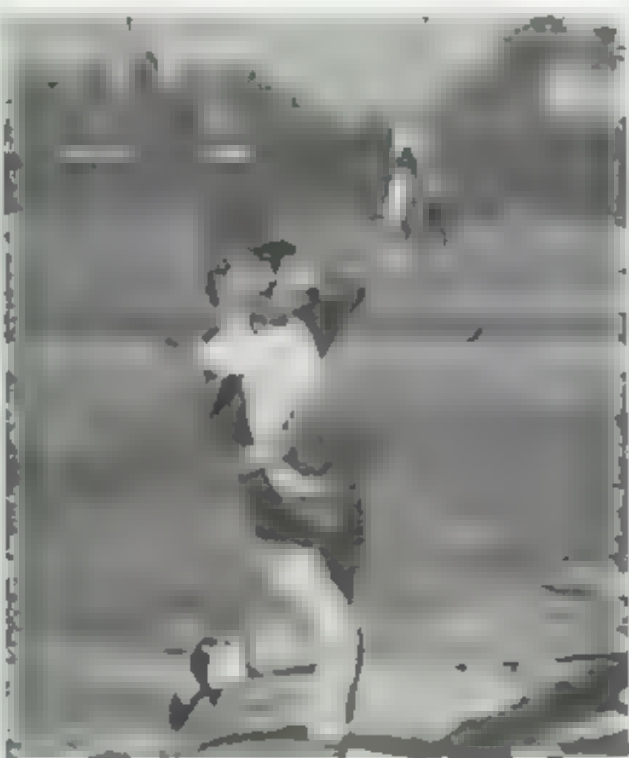

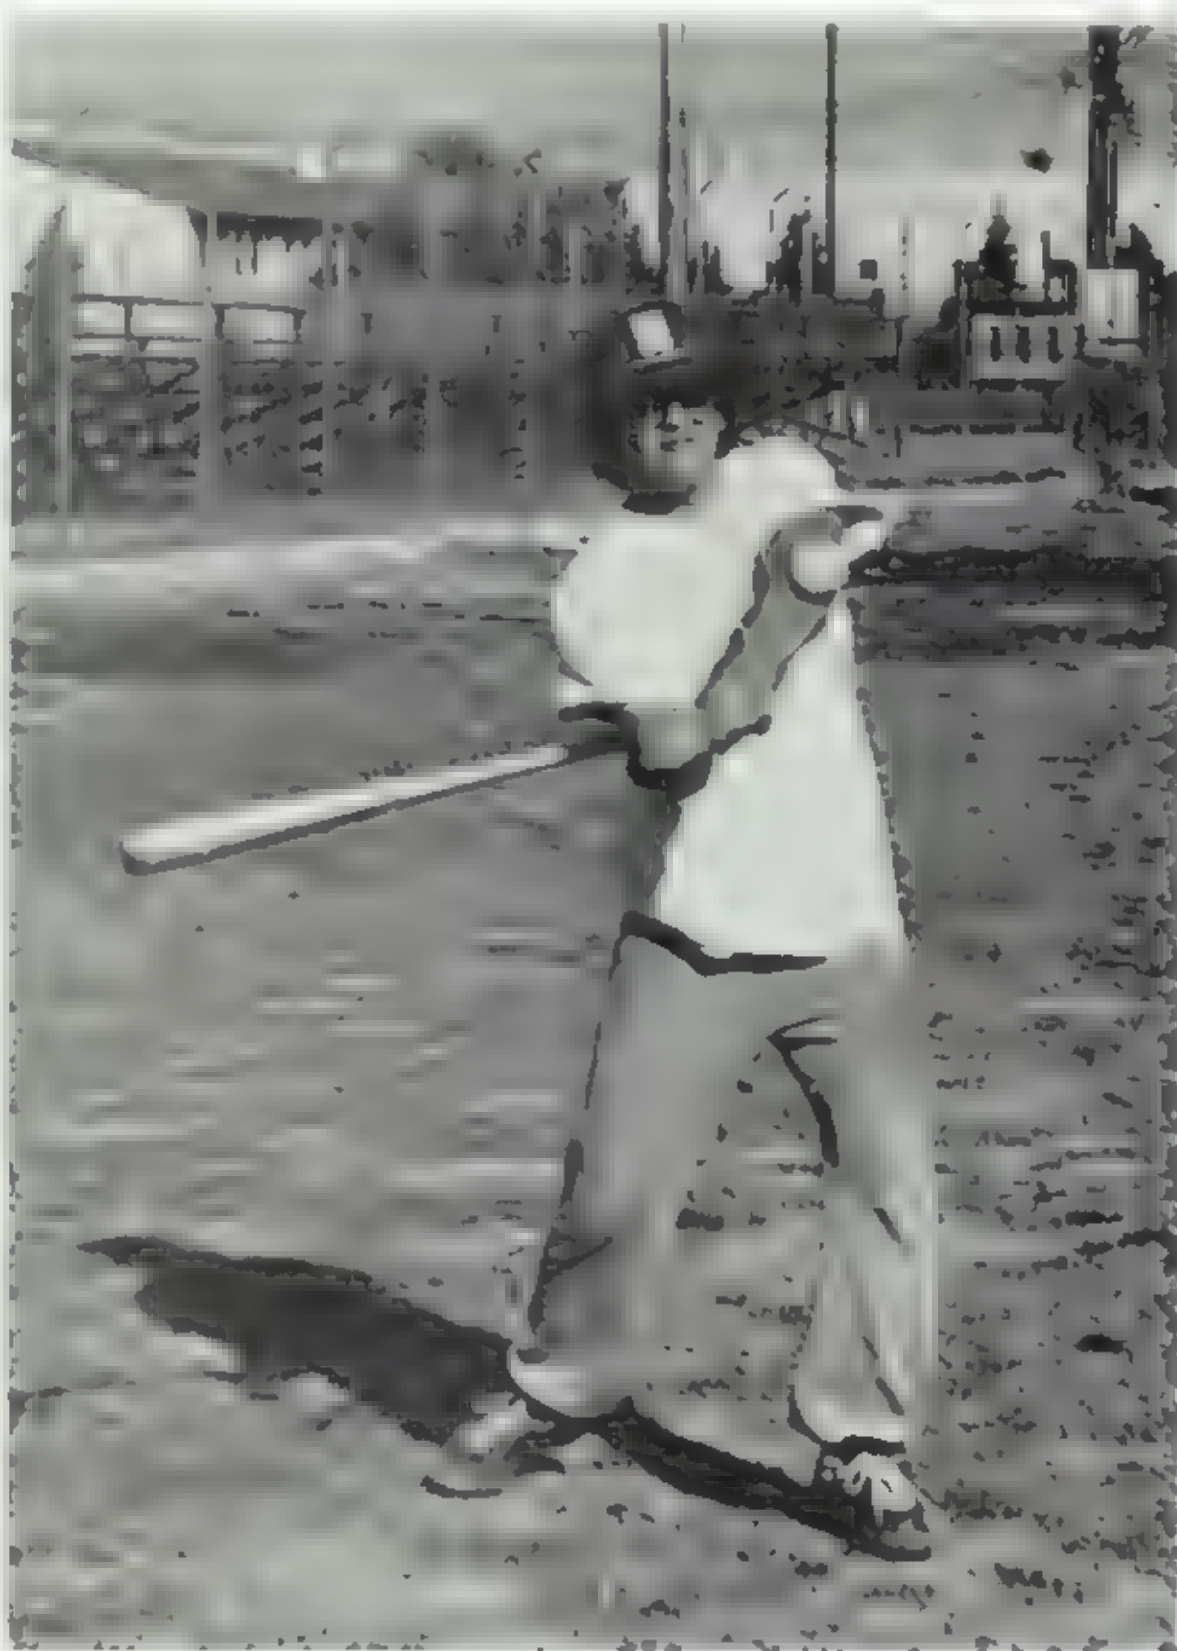

Brophy Baseball looks highly promising for the future as strong J.V. and Frosh squads increased their talents and improved their weaknesses. Under the supervision of Coach Ralph Vallecorsa the J.V. squad doubled their knowledge in the finesse of baseball, while the Frosh, coached by Mr. Paul Decker, S.J. and Mr. Dave Beswick, S.J., were educated in the true meaning of a fastball as they graduated into the "tougher", highschool league. Both squads prepared themselves for upcoming seasons, while playing truly outstanding baseball. At the close of the season untold sums of experience had been gathered by all the players. It could be said that underclass baseball was a "true learning experience."

## Brophy's finest say, 'We move our tails for you!'

"We really move our tails for you, to make your every dream come true. In the locker room and on the field, we really move our tails for you!" This might well have been the theme song for Brophy's managers throughout the '73-'74 school year. Working diligently and sometimes painfully, these stalwart Brophy students struggled behind the scenes to make life more enjoyable and easier for the players and less worrisome for the coaches.

Duties were laborious in all the sports, especially football where the managers attempted to cater to all of the coaches' whims and wishes. Many times this included mixing a "special treat" for their delight during the daily water breaks. Other duties included applying miscellaneous first-aid and keeping tabs on and repairing equipment.

The managers attempted to do their best, but still many of their efforts went unnoticed by all.

**ORGANIZATIONS**

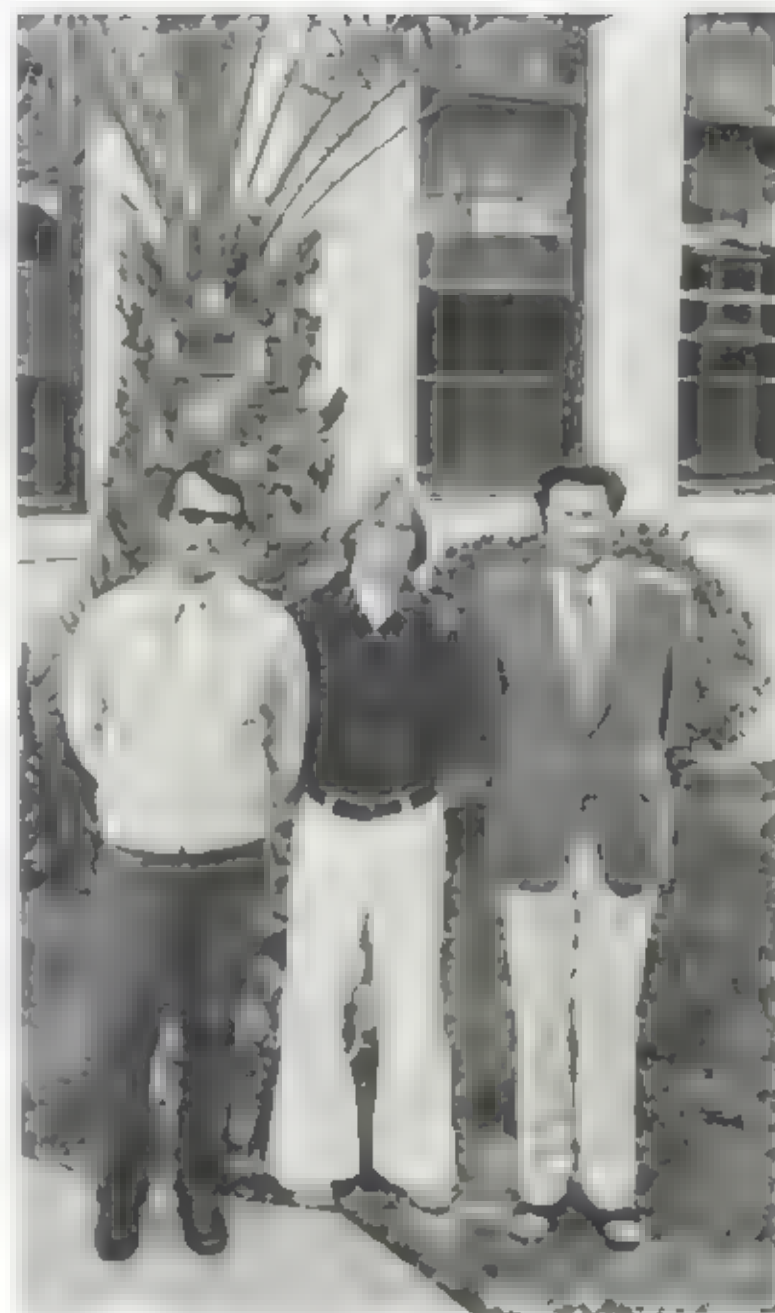

# Strength of spirit

President Dave Cooney Brought his lettermen to new highs in '73 with the help of Mr. Fred Campisano, moderator. The Block Clubbers continued their excellent service in helping out at numerous Brophy functions. Among these endeavors include the many parent's nights, open house, parking cars at dinner dances, and the usual ushering at the games and rallies

Outside of Brophy, the Block Club used its plentiful man-power in raising over 500 dollars for the Little Sisters of the Poor in completion of their third of the Christmas drives. These Brophy athletes were also instrumental in recruiting incoming Freshmen by traveling to various parochial schools around the valley.

All of these many "unseen" tasks helped spread spirit throughout the Brophy campus and Phoenix community

TOP Mr. Fred Campisano, moderator, Dave Cooney, president; and Mr. Don Schmidt, moderator brought the club to new heights. BOTTOM: Left to Right—Back Row, K. Blake, J. Kreis, M. Lee, J. ## As the world turns

Representing small countries in South-east Asia and Africa, the Model U.N. delegates got the chance to see what it's like trying to run the affairs of a small country in world events, meeting for the General Assembly at the University of Arizona in Tucson. After long months of preparation, the joint Brophy—Xavier delegation distinguished themselves among the participating schools.

Under the guidance of Mr. Ronald Shone, whose job it was to keep the thirty members in line, the delegates learned and then practiced with great care U.N. procedures and protocol. Matters decided at the Assembly were on the Middle East crisis, the banning of nuclear weapons, and the admittance of East Germany. All delegates agreed that it was an unforgettable learning experience.

## NHS surges ahead

With a new moderator, Fr. Al Naucke, and leadership from Rick Cannatta, Tom Apker and Bob Dotterer the National Honor Society turned itself once again into a service organization. Individual members volunteered their time to tutor fellow Brophy students. Also, the N.H.S. was in charge of the clothes portion of the Christmas food drive and the refreshments at the Soiree, to name a few activities. A big drive was also started to enroll underclassmen, since like most other organizations, it was dominated by Juniors and Seniors. The drive was successful and there were bright hopes for expanding into community service and involvement.

## Gathering new hope

This year we have seen the dawning of many social and community action groups. One organization stands out among them all, this is the Easter Seal Society. Through the years it has been considered primarily a club of Brophy, since the majority of the volunteers are comprised of Brophy and Xavier students. Brophy has contributed time and money in keeping the program on the move.

During the school year the society operated a program through which, once or twice a month, outings were planned. The group referred to as "The Gathering", arranged outstanding outings. The more prominent of these being trips to the Phoenix Suns basketball and Roadrunner hockey games for adults and older children; as well as holiday parties, picnics, and sight-seeing for the little ones

 BOTTOM RIGHT Orator Tom Apker and friend rapping during a break

## NFL AT BAY

Coached by Dan Lentz, the speech squad represented Brophy well at all the major tournaments. Led by seniors Tom Apker, Mike Mangin, and Greg Lamoth with strong support of the junior debate teams, Tim Park — Bob Charles and Ken Eklund — Mark Durkin, the squad managed to add more trophies to the already overfilled display cases.

Brophy, long considered a major power in forensics, lost key members with the graduating seniors who had a wealth of talent. However, there were many young and enthusiastic freshmen and sophomores for the upcoming years. There can be no doubt that the squad will indeed be a power in future years because of all the invaluable experience gained in this year of rebuilding

## Brophy Abroad

On the second of July, a group of twenty young and old men, led by Fr. George Carroll, departed for an adventurous six weeks in Europe.

After an endless flight, the plane finally touched down in one of the world's oldest and most fascinating cities.....Rome. One week and three days in Florence later, the group arrived at Venice. Here one of the more adventurous Sophomores discovered what it was like to take a dip in a Venetian canal.

## Fighting apathy...

A "devil may care" attitude was the chief flaw the newspaper and annual's quest for progressive journalism. Each department struggled to overcome this deficiency in spirit, and were able to produce top publications.

In the Round-Up's case, it was the commanding leadership of Senior Steve Wallace that brought the newspaper from the depth of disaster to become one of the most envied products in Arizona. The Round-Up prided itself in carrying a wide variety of articles and emphasized quality in the feature section. Wallace initiated a new section in the newspaper called Spectrum which included concert, record, and movie reviews.

The annual endured a major staff change in the middle of the year to produce this fabulous book. Jos. Romeo was forced to give up his position as editor and was replaced by the forceful management of Steve Fullmer who was ably assisted by Junior Bill Stejskal. To say the least, both publications were well excepted by the Brophy community.

# Fighting strong on the home front

Spirit, key issue in every aspect of student community, became a fierce opponent for the escalating apathy seen throughout the year. Organizations battled this foe on every terrain, with the Rally Committee, under the guiding inspiration of Russ leander, leading the charge. Dazzling skits and vocal bombardment opened gaps in the lines of apathy that could not be filled. Among the ranks have been such characters as Moe the Afro, Fr. Lewis Carroll, Sr. Rosseta Stoned, Freddy the Freak, and Sam Psychotic; all of which are committee creations. Behind the lines the mad scientists developed unheard of spirit potions and unbelievable moral boosters.

Decorated for actions above and beyond the line of duty, Mike Mangin and Bill Boyles fought on the front for student interest and pulled dozens of their comrades out of the clutches of the enemy. Many valliant soldiers fought gallantly in a victorious year-long effort, destroying student unrest and drooping spirit, that will be remembered in the anals of history for years to come.

TOP R Leander, S Shannon, J D'Angelo, P. Firth, and M Mangin contemplate their next campaign LEFT ABOVE A collection from the Rally Committee commune ABOVE Fr. Lewis Carroll [Rusty Leander] says a rosary for the Brophy squad during the Brophy-Xavier football game

## Spirit of '74

Students have a habit of forgetting events, especially when important problems are cascading down upon them from several directions. The Sign Club, used especially for the remedy of this problem, was to remind the student body of upcoming events and obligations. The signs, designed and phrased so as to catch one's attention, were practically always outstandingly comical, creating an atmosphere of humor. Frequently centered around quotes or sayings from numerous students and faculty members with little or no harm intended, signs brought unbelievable responses.

Some people gazed, some stared in awe, others just laughed, and a small minority looked at these works of art and contemplated a sense of being seldom felt before.

*TOP: Student Council, interesting to some, was irrelevant to apathy stricken students. RIGHT: Mr Michael Klein and a group of seniors, shown here are P Shoen, G. Sahee, and R. Leander, brought life to an otherwise dying organization*

## Vital life source

While students had the mistaken impression that Student Council was no longer a viable organization, the members proved otherwise by spearheading important school campaigns under the leadership of Greg LaMothe, Rusty Leander, and Mike Steigerwald, the council adopted a new constitution, transformed meetings into lively discussions on vital issues, spent much time organizing the various activities that comprise student life, and defended a movement to change the dress-code. Among the most successful and mind staggering achievements were the Christmas drive, noon rallies, and spirit raising campaigns. Previously unresolved issues were delved into once again, the difference being that this group of boys handled the problems and arose victorious.

*LEFT: Greg LaMothe, Student Council president, casually presides over a meeting. BELOW: S. Moore, S. Wallace, J. Auther, C. Ragsdale, and P. Leander respond to vital issues.*

## Key to service -

Community Service was the order of the day and under the able guidance of president William Pilcher, the Key Clubbers had attained this goal over and over again by the year's end

Aside from the usual selling of cokes at the under class football games, the Key Clubbers delved into a large number of activities outside Brophy. One of the most successful endeavors was the Christmas food drive where over 15,000 cans were collected thanks largely to the efforts of the Freshman class

Pilcher and company also contributed 100 dollars to the Easter Seal society while helping the Kiwanas Club in their annual rummage sale and the Visiting Nurse book sale to move boxes of periodicals

*LEFT. Fred Ecklund, Bob Heffrich and Steve Moore await another weekly meeting. BOTTOM LEFT. Keven Botos using muscle at the Visiting Nurse book sale. BELOW. Steve Wallace, and Jim Lagatliffe approve the work completed at the book sale.*

## Weiss nichts von seiner eigenen

"He who knows not foreign language knows nothing of his own." And with this in mind the language department proceeded to expose fertile and imaginative minds to the wisdom and mythology of the nations, ancient and young. Latin received the highest honors for its efforts to train and discipline zealous pursuers. Advanced students hoped to explore areas in their own interests; these ranged from the humanities to the intricacies of Horace, Catullus, Ovid and Vergil. The classics expanded with the addition of Koine Greek; one elite group progressed in its understanding of this vernacular, the tongue of New Testament writers. Imagine! Aside from the chosen seven, who else is able to read the Apokalupsis Ioannou in its original vividness? Modern language too attracted the multitudes. Spanish, French and German provided the opportunity to investigate the misfortune of Babel. But having once learned how to approach language, students readied themselves to master the hardest of all. Beginning with basic vocabulary, the course strived for self-expression. Do you remember the first speech you had to give? All was in keeping with the ultimate: or did you not know that happiness is passing English?

FAR LEFT ABOVE: Rev. Anton J. Renna, S.J., English IV, Theology, Chairman of the Department. FAR LEFT: Rev. Carlton Whitten, S.J., English I. LEFT ABOVE Mr. Daniel F. Lentz, Speech I, II, Forensics LEFT: Rev. George A. Carroll, S.J., English I, II FAR ABOVE: Mr. Patrick Thompson, S.J., English II, Speech. ABOVE. Mr. David Grant, English III

# Seminars offer varied Perspectives of life

Students took advantage of the extensive planning and preparation that went into the forming of the largest variety of classes and seminars ever offered by the theology department.

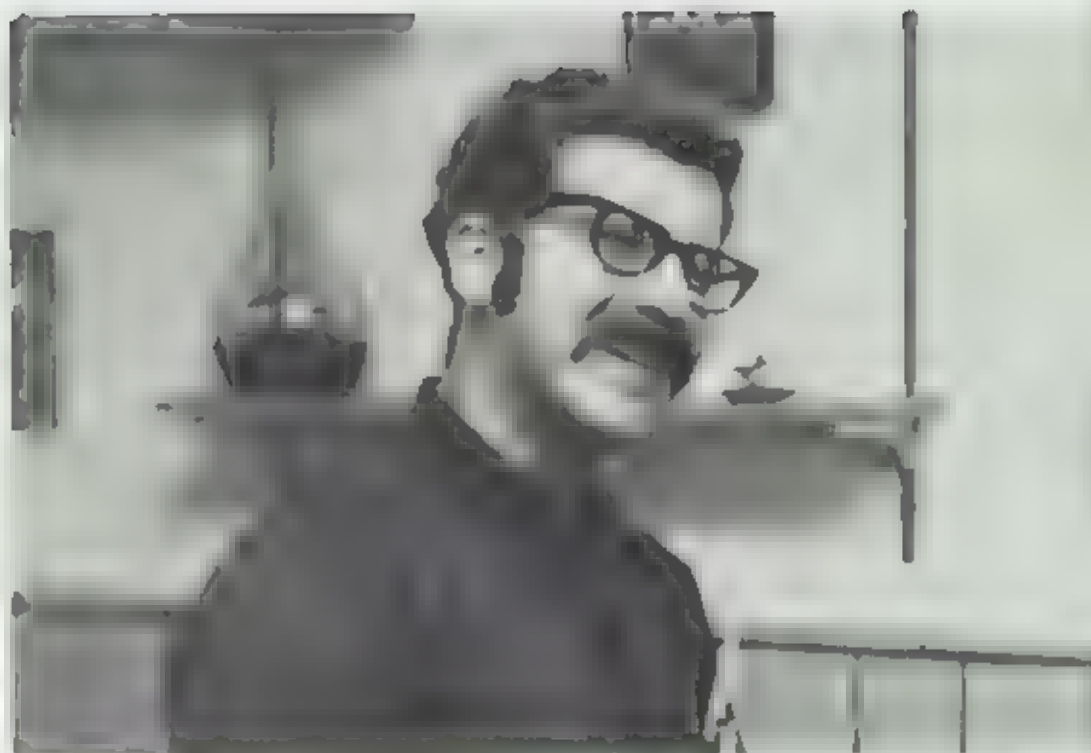

The interested found the Christian Community class more than just an academic experience in that it layed the foundation for not only intellectual growth but also growth in their understanding of life in community; its meaning, value, and potential. Classes which tapped the creativity and imagination of the students were the Liturgy Planning Seminars in which class members not only shared their beliefs on the meaning and value of group worship, but also actually planned the format, readings, and music for the Student Liturgies. The academically minded found satisfaction in the Scripture classes dealing with the four different accounts of the Gospels. These fast moving and in-depth courses not only studied the philosophical message of the New Testament, but also the anthropological and cultural background that shaped their writing.

ABOVE RIGHT: Fr. Al Miller, S.J., Chaplain. ABOVE: Mr. Tom Grace, Theology. RIGHT: Fr. Joseph Finch, D S S., Scripture

ABOVE LEFT: Rev. Charles Olsen, S.J.  
Speech II, Guidance TOP RIGHT Mr Mchae  
O'Sullivan, S.J., Theology, Guidance. LEFT  
Rev James Menard, S.J., Theology III and IV  
ABOVE: Fr. Marc Calegari, S.J., Latin II  
Theology

## So long, H.K.

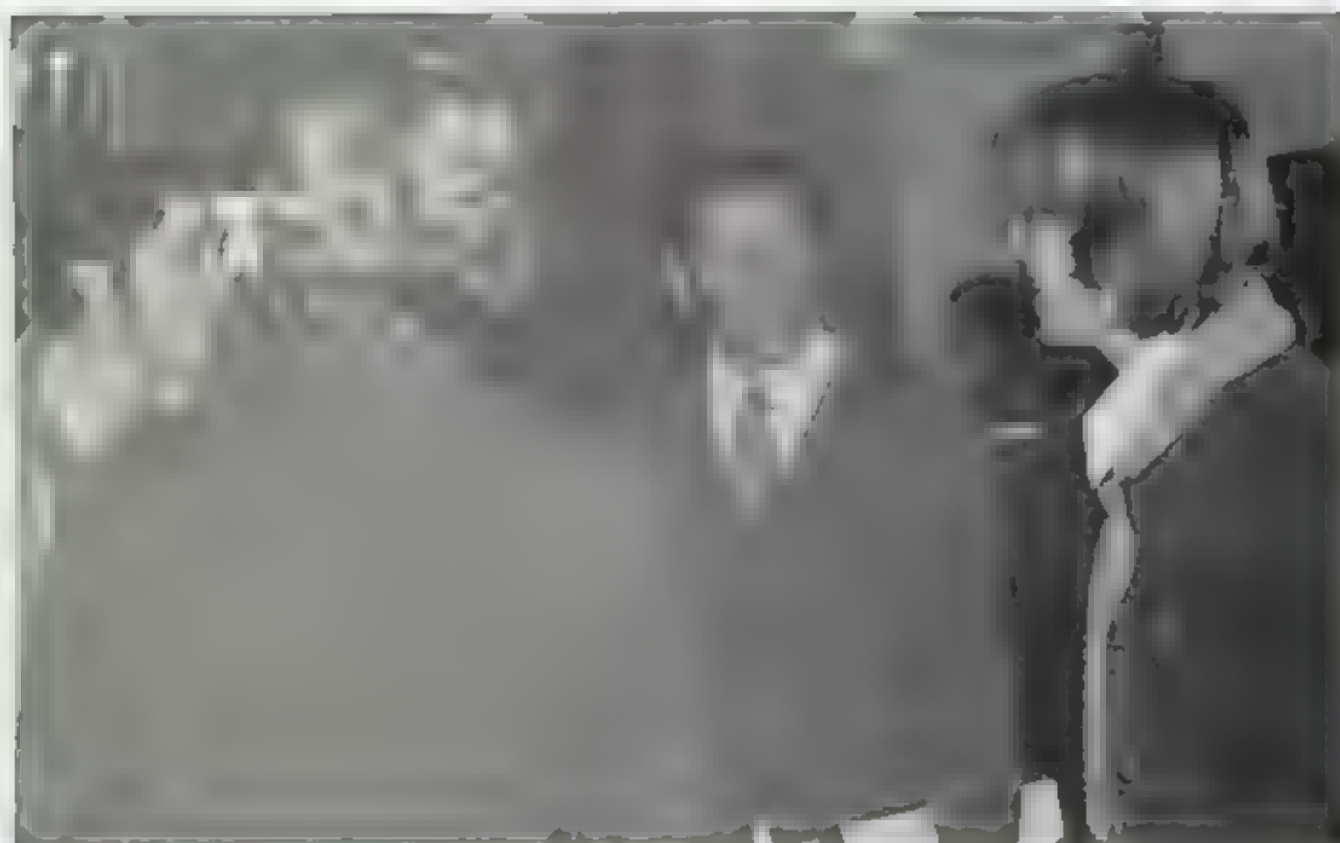

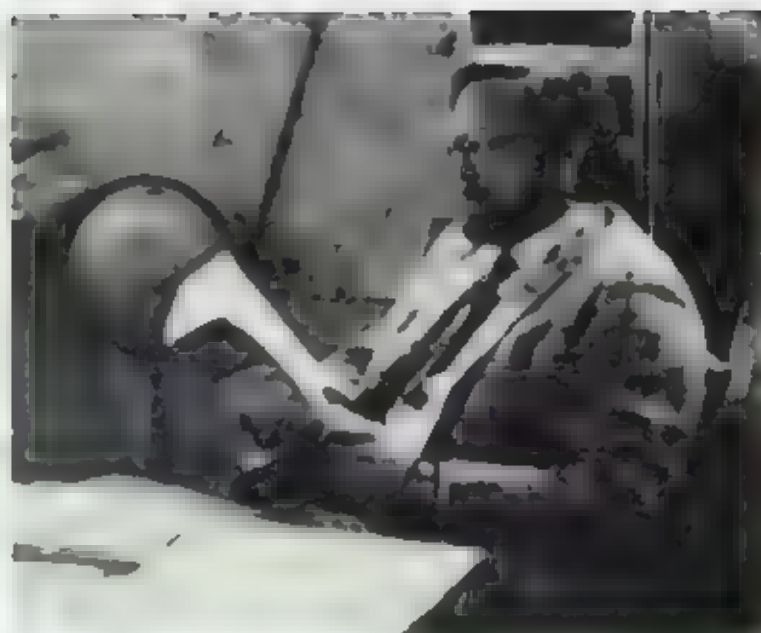

After 18 short years of service to the Brophy Community as the Chemistry, Biology, and Psychology professors, Mr. Harold Kassel is retiring at the age of 65. Mr. Kassel served Brophy for more years than any other faculty member with the exception of Fr. Howard.

In his career at this institution, H.K. witnessed the construction of Loyola Hall and the Gym as well as teaching such stalwarts as Mr. John Kunkle, Mr. Steven Running, and Mr. Dave Grant. He also worked with Mr. Renna, Mr. Naucke, and Mr. Freitas.

That Brophy owes Mr. Kassel a vote of thanks is a drastic understatement. The Annual staff extends its heart-felt thanks and with a tearful eye, is sorry to see him go.

TOP RIGHT: Mr. Harold Kassel, Psychology. MIDDLE RIGHT: Mr. Trevor Stinson, P.E. ABOVE: Mr. Mark Campbell, Government—Sociology. RIGHT: Mr. Michael Ryan, P.E.

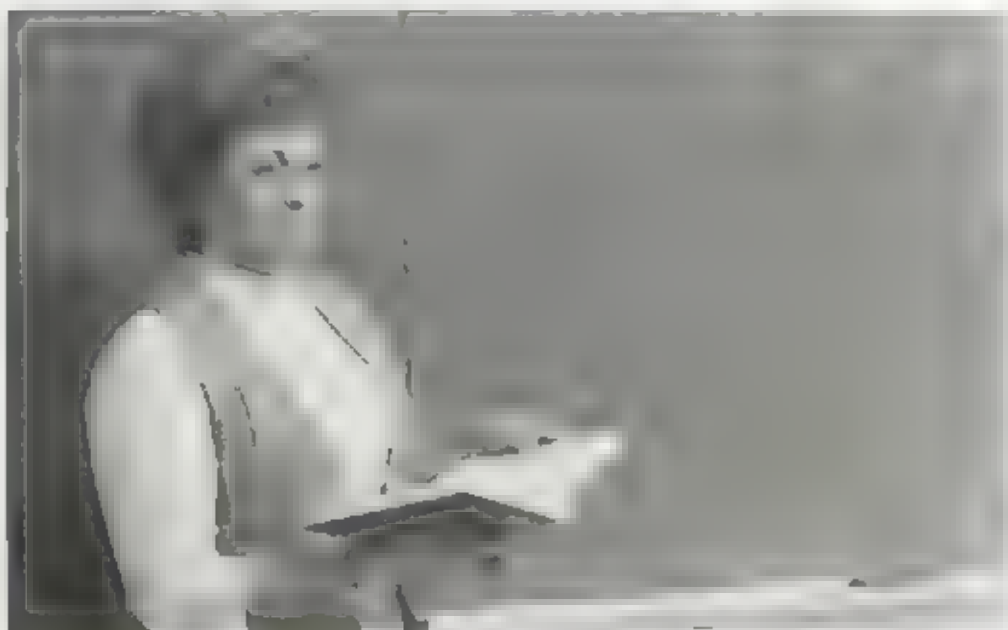

ABOVE LEFT: Fr. Jake Enright, S.J., Guidance, History. TOP RIGHT: Mr. John Kunkel, History, Drama? ABOVE: Mr. James La Casse, S.J., History, Mathematics LEFT: Mr. Don Schmidli, History

One looks at the everchallenging and wide spectrum of fields in this world today and believes he needs some insight into them all. Here at Brophy, that opportunity graciously awaits us. A number of new courses were instigated in the '73—74 school year designed for both the exceptional student and for those who "lack the nack."

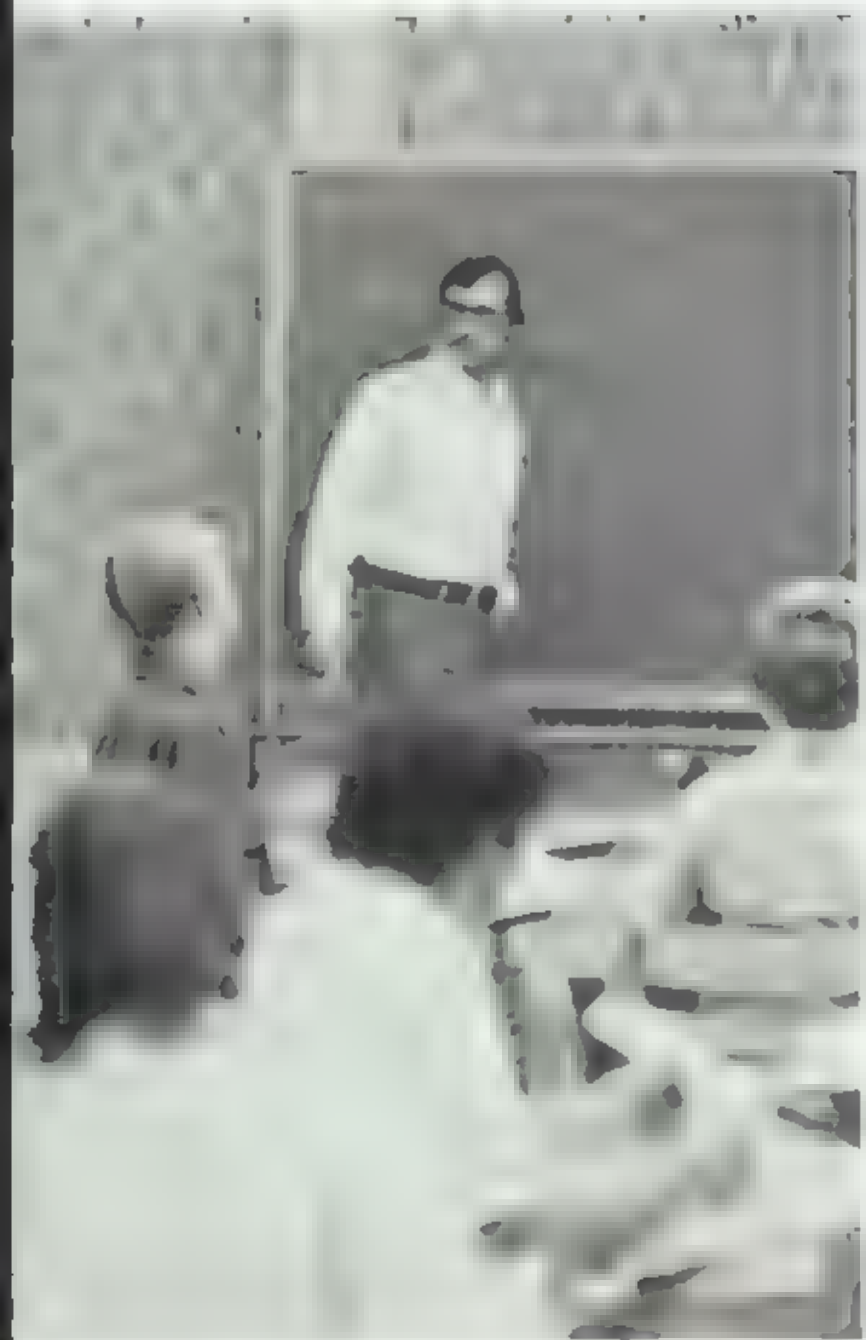

The Science Department prides itself of making its courses challenging yet not to the point of intangibility; not so difficult that is impossible to accomplish, but not so easy that one need not show any initiative. Advanced Physics, Chemistry, and Biology were introduced and taken advantage of by many. Mathematics was equally successful.

UPPER RIGHT: Mrs. Jacqueline Labbe Algebra I, III, Geometry, BELOW RIGHT Mr. Michael Klien, Algebra I, II, Geometry, Calculus, Matrix Algebra, BELOW: Mrs. Mary Ellen Woods, Algebra I, III, FAR BELOW Fr. Dare Morgan S.J., Algebra I, III

The dozen by the  
shoreline came to  
meet him, none  
saying a word

He felt only that  
he was welcome

And that this was home

It had been  
a big day for him. . .

**A day whose sunrise  
he no longer  
remembered**

It seems that most editors begin by looking back at goals reached. I prefer to start by setting a goal for the entire student body to reach in years to come. This year more than ever we have seen a sense of community seldom shown by one group of people for his fellowman. The Seniors will leave and take upon their shoulders a yoke of responsibility which Brophy has prepared them for. Their goal must be to spread a spirit of community throughout their lives with every person they meet. The role of re-enforcements goes to the remaining students, and it is their responsibility to learn their parts in this movement.

Looking back, we can all see what effect this spirit of community has had on our lives. From this source sprang all of the year's activities, making a year not soon to be forgotten by any person associated with Brophy. No task was too large, or too small. Brophy's spirit caused many people to realize that we make up something more than just a high school.

We can also look back at all the friends we've gained through our high school years, and how we have influenced one another in those situations that wouldn't have been the same without each other. In looking back I have a need of thanking all my friends for their help and for putting up with me.

Editor-in-chief,  
Steve Fullmer

All our thanks to:

OUR PARENTS

MRS. JULIA K. MILLER

FR. ANTON (SAM) RENNA, S.J.

STEVE WALLACE, FRED

EKLUND, & MIKE STEJSKAL

without whom there would be no yearbook

In looking back on the work, long hours, chemical-stained hands, and frazzled nerves, something inside me wants to ask if it was all really worth it. Were apathetic students, uncooperative teachers, and irrate staff members the only thing that had made an impression on me, or was something else learned that transcends those things which ate away at my patience and sanity? My first reaction to this is a very negative one, but this is probably because the final pictures still have to be printed and the final copy still has to be typed. But in taking my thoughts off these things for a moment, I faintly realize that it was worth the trouble. It is seldom, in this stage of life, that an individual is responsible for something as large as this yearbook was. This experience has shown me aspects of myself that I didn't even know existed. I learned about a capacity for creativity that I hadn't even suspected, and I learned the value of patience and self-control in the most trying times.

I would have to say, though, that what meant the most to me out of all this is the chance I had to give something of myself, my time, and my effort to those individuals, students and teachers, whom I have grown to know and love. The things I've learned from the people of Brophy about God and the art of living life will remain in my heart and mind much longer than the memory of working till 1:00 A.M. on the Underclass section. The chance to preserve these memories for myself and especially for others is one that I'm glad I didn't miss. When it's over, I'm sure I will be able to say that only the good memories of this will remain.

Bill Stejskal  
Co-Editor

My past few years here at Brophy have been an extremely rewarding experience. I'm sure that if I had it all to do over again, there isn't one thing I'd change. I'm really going to miss this school and every one connected with it. I leave knowing that I have been ably prepared for college. Certainly, at least in my case, Brophy has lived up to its name, that of College Prep.

Before I graduate from this Institution I'd like to leave the Administration, Faculty, and especially students with what I hope will be a lasting thought.

Brophy can be anything you want it to be. You are Brophy. If this school does not live up to expectations, or accomplish what you feel it ought to, it is because you have let Brophy (yourselves) down.

I can remember my freshman year when it seems as though the very walls were alive with vitality. The students and teachers were a single, unified body working together. The 8:00 to 3:00 student was an almost un-heard of commodity. Everyone was involved with Brophy life to the fullest. Since then it seems as though we have been on a downward trend. Just recently that trend has finally begun to reverse itself.

Spirit is the source of energy in a school. Without this spirit, the school is dead, and if the school is dead, then you are dead, too. Spirit is going to games and dances. Spirit is participating in Brophy's many organizations and activities. But most of all, spirit is being proud of Brophy, and in being proud of Brophy you can be proud of yourself as well, because: *You are Brophy!*

Steve Wallace  
Assistant Editor

I wonder sometimes where all the time went. Four years *a priori* seem an eternity; *a posteriori*, one unique moment. Since the beginning of the year I have matured greatly, and now understand this: Life flows on within and without: my existence has had little effect on the people I have met. Were I to pass away tomorrow, would anyone take notice? People mourn for the dead, but should they not rejoice? Death is a transition into life.

But life also is a transition, and the interim is filled with transitions. I shall graduate, and my accomplishments, although menial in themselves, will receive honor. This is a strange thing, and one which makes me laugh; parents beam at their sons, and teachers take pride in them too. But where is the honor? I have learned to accept life as it flows: Do not over-react to the good and the bad. Both come in moderation. Therefore welcome both in moderation.

I have been frustrated in much that I have done thus far, and shall probably continue in my frustration as years progress. I have met ambitious individuals, and individuals who were dead. Very rarely do I find the person who lives without the frustrations of the yesterday and of the morrow. He knows that the concerns of the day are sufficient for the day.

These four years have I experienced the good and the bad. Once I became totally disenchanted with life; I do not wish that state of mind on anyone. I have also tasted complete freedom; many never know this feeling. For my experience and maturation, and for the many things that have made these four years worthwhile, I thank above all, Fr. Charles Olson, S.J., Fr. Maurice Brill, S.J., and Fr. Joseph Finch, S.S.D.

squad and we can't  
eat all the food he  
brings. But we sure  
try!

~~Atta~~

I have hearded many a musicians  
let your concertina is the most!!!!  
From the Doc. Sovereign of Drophy  
David Mopick

Eliot,  
As far as goes you OK.  
Have fun this summer, but  
don't get caught.

Eliot  
You're a good  
person and friend.  
Love Daniel & Kris Callahan
